

MAKE OR BREAK YOUR ENGAGEMENT SESSION

Here are two essentials to making sure you get the engagement photos you always dreamed about...

Think Through Your Location

Your location will determine the entire mood of your images! Brainstorm a couple adjectives that you hope to describe the final product--then find a place that will match! Don't be afraid to think outside the box or choose a place that is meaningful to you!

Think Through Your Outfits

Your outfit should fit within your surroundings! What does that mean? Think back to your adjectives and what words you hope your friends will use to describe your session. Got it? Then remember your location! Now you're ready--plan your outfit! For example, if you want elegant near victorian columns, come in high heels and a flowy dress! Your outfit should describe your adjective and compliment your location!
