

SOVEREIGN ALIGNMENT FREQUENCIES

FREQUENCY KEEPER AGREEMENT

AUBREY - ALIGNMENT FREQUENCY / AMPEO LLC.

A Note Before We Begin

This is not a legal document designed to regulate or restrict you. It is an agreement rooted in alignment, integrity, and mutual respect. When we lead with frequency, most of the fine print takes care of itself. This is simply a shared understanding of what we are building together and how we intend to honor it.

Aligned Partnership

As a Frequency Keeper inside Sovereign Alignment Frequencies, you are stepping into a role that is as unique as you are. The specific ways you show up, contribute, and share your medicine within the collective will be outlined in your personal Keeper plan, co-created between you and Aubrey. This agreement covers the foundational terms that apply to all Keepers. **This is not an employment relationship. You are operating as an independent creator within a collaborative, co-creative platform.*

Referrals and Earnings

Your unique referral link is yours. 50% of every \$22/month SAF membership brought in through your link will be paid to you monthly via PayPal for the prior month's referrals. As SAF grows and new membership tiers are introduced, updated commission structures will be communicated to all Keepers transparently.

What Aubrey Commits to You

As your partner in this collaboration, Alignment Frequency commits to:

- Building and maintaining your personal landing page inside SAF, crafted from your essence and updated as your work evolves.
- Creating brand assets, visuals, and tangible creative gifts alchemised from your chart, your modalities, and your medicine.
- Providing a free SAF membership for the full duration of your time as a Frequency Keeper.
- Granting access to the Aligned Brand Portal to support your brand alignment and expansion journey.
- Featuring and promoting your work, your medicine, and your current offers through The Freq Sync and Aubrey's platforms.
- Paying 50% commission on every SAF membership brought in through your unique referral link, monthly via PayPal for the prior month's referrals.
- Showing up as a true collaborator, as deep into the co-creation as you desire.

An Aligned Exchange

We ask that you:

- Show up in resonance. Let everything you share about SAF and the Frequency Keeper program come from a place of genuine belief and alignment.
- Share from a place of truth, not obligation. If something ever feels forced or out of alignment, come to Aubrey directly. That conversation is always welcome here.
- Keep your landing page updated with your current offers so Aubrey can amplify your work accurately and with full intention.
- Honor the unique Keeper plan we co-create together.
- Respect the confidentiality of what is shared inside the Keeper Circle and within any private containers inside SAF.

What Is Yours Is Yours

Your content, teachings, and intellectual property are always yours. By joining as a Keeper you give Alignment Frequency permission to share and promote your work across SAF platforms to amplify your medicine and expand your reach. Everything we co-create together is yours to keep long after the partnership ends.

All SAF and Alignment Frequency concepts, frameworks, branding, and proprietary systems remain the sole property of Aubrey Pruneda / AMPEO LLC.

Protecting the Freq-Cosystem

If you ever feel called to move on, all we ask is a conversation with Aubrey first to provide time to close the chapter with intention and love. Your landing page will be archived.

Sovereign in Your Business

We are each sovereign in our own lives, creative projects. & businesses. Alignment Frequency holds the SAF space with love and care but is not responsible for outcomes related to your individual offers or activities. If you earn commission through your referral link, that income is your own to manage in whatever way feels right for your situation.

Frequency First

The greatest regulation here is your own sovereign alignment. We trust that. We built this entire thing on that. Welcome to the SAF Keeper Circle.

*By submitting the **Frequency Keeper Agreement Form**, you agree to the terms outlined above and confirm that you are entering this partnership with full intention, integrity, and alignment.*
