

COURSE

OUTLINE

Section 1: Integration of AI in Teaching

SYNCHRONOUS

Demystifying AI: Understanding the Role of AI in Teaching

ASYNCHRONOUS

Navigating Responsible AI Use

- **Session 1** - Ethics, Bias, and Misinformation in AI: What Educators Need to Know
- **Session 2** - Data Privacy & Security: Protecting Yourself and Your Students

ASYNCHRONOUS

Enhancing Teaching with AI

- **Session 1** - AI for Lesson Planning & Assessment: Streamlining Instruction
- **Session 2** - AI for Content Creation: Generating Materials & Resources Efficiently
- **Session 3** - AI for Differentiation & Personalized Learning
- **Session 4** - Boosting Productivity: Reducing Teacher Workload with AI

Section 2: Integration of AI in Learning

SYNCHRONOUS

**Integrating AI into Student Learning:
Where to Start & Best Practices**

ASYNCHRONOUS

Student-Facing AI Guidelines

- **Session 1** - Introducing AI to Students: Foundations for Responsible Use
- **Session 2** - Creating Student AI Guidelines: Setting Expectations & Boundaries

ASYNCHRONOUS

AI in the Classroom

- **Session 1** - Practical Strategies for Integrating AI into Daily Instruction
- **Session 2** - Teaching Students How to Use AI for Learning & Creativity
- **Session 3** - Developing Critical Thinking in an AI-Driven World

ASYNCHRONOUS

Grade Level & Content Area Specific Lessons

- **Session 1** - AI-Powered Lesson Plans for Different Subjects
- **Session 2** - Scaffolding AI Use: Adapting AI Strategies for Different Grade Levels

**BRING THE AI LITERACY
ACADEMY TO YOUR STAFF**
