

Onboarding Materials Checklist

We can get started building systems quickly if the student attends Onboarding with this information ready to go! Please help your Student to locate this information, collect it, and share it with your Coach. The information that you cannot find before Onboarding will be sought out during and after Onboarding.

Student Docs

- Diagnosis
- IEP / 504
- List of Accommodations

Key Information

URL's, Usernames, & Passwords for:

- Assignments Portal
