

It's Time to  explore

MOUNT HOREB

 TROLL CAPITAL OF THE WORLD

First Stop: The Mount Horeb Welcome Center

One of our friendly tour guides will **hop on the bus** and **distribute visitor guides**. They will give a **10-15 minute talk** about the **history of the village**, its Norwegian heritage, the history of the trolls, and how we became the Troll Capital of the World.

Attendees can then **disembark** and start their exploration of the downtown at the Welcome Center. Public Restrooms are available.

Bus driver can then drive to one of the **parking lots** on the map below.

DON'T MISS

The **Driftless Historium** is an award-winning history museum in our Historic Downtown. It has paid and free exhibits, as well as a great gift shop! You can learn all about Mount Horeb and the surrounding Driftless Region. Call ahead to schedule a guided tour.

Mount Horeb is home to **Duluth Trading Co.'s Corporate Headquarters** and their **first-ever retail store**! You can see the HQ from downtown (it is not open to the public), and you can visit the retail store on Main Street. Enjoy their in-store **Wally Keller Tool Museum**!

Explore at Your Own Pace

Attendees can easily spend 3-5 hours exploring Mount Horeb's Historic Downtown.

Highlights:

Driftless Historium (1-2 hours)

Shopping (1-2 hours)

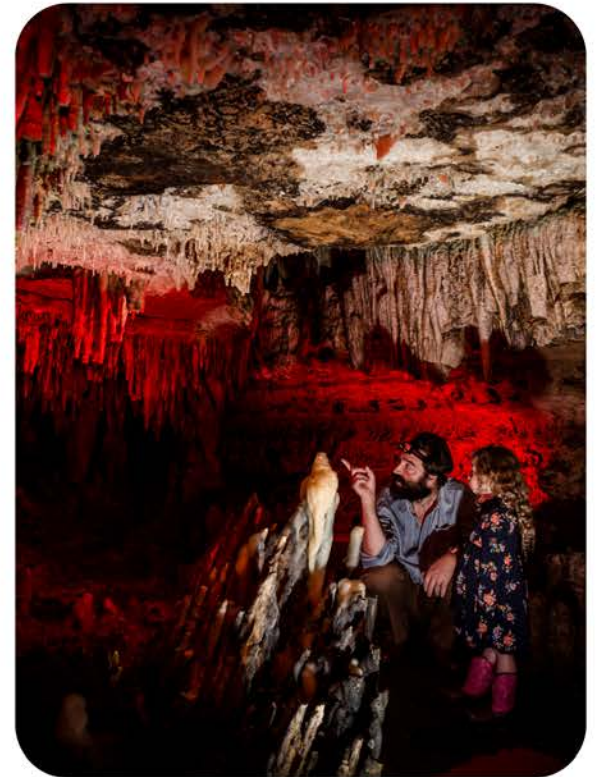

Dining (1 hour)

Plus, Troll Hunting Along the Way!

Have Extra Time?

Cave of the Mounds National Natural Landmark is just 5 minutes down the road in Blue Mounds! You can take guided or self-guided cave tours, or you can explore the grounds and walk along trails. Great for families!

Taliesin was Frank Lloyd Wright's beloved home and architectural school in Spring Green, just 25 minutes west of Mount Horeb. Ideal for architecture lovers and history buffs, tours of various lengths and ability levels are available. Book your tickets ahead of time.
