

Mailbox Standards

Addition to the Declaration of Covenants, Conditions and Restrictions of River Meadows Homeowners Assoc. Inc. Design Standards.

- Mailboxes will be securely mounted on treated 4 x 4 inch posts next to roadway in front of owners property.
- Mailboxes will conform to USPS standards i.e. "with the bottom of the box at a vertical height of between 3-1/2 to 4 feet from the road surface" and " 6 to 8 inches from the curb (in our case the road pavement) to the mailbox door".
- Mailbox color will conform to that specified in the RMHOA design standards.
- Repairs for any damage caused by snow plowing, road repair, etc, is the responsibility of the homeowner.
- This standard will remain in force until such a time that the USPS or Teton County, ID imposes other conflicting regulations.
- Design Committee approval is required prior to installation.

Effective 11/21/11 by unanimous vote of the Design Committee under authority of the above CC&R's, Article IV, Section 4.
