

Bucks County Horse Park Sponsorship Opportunities

We'd love to have a conversation! This is our 35th anniversary year and we are growing! We ask you to share our vision and join us in shaping our future together.

Bucks County Horse Park is a 501(c)(3) nonprofit organization located in Revere, Pennsylvania. The facility encompasses 145 acres with over 25 miles of trails for riding and driving, as well as a cross country course and four riding arenas. We welcome members daily from sunrise to sunset and host over 50 events each year. The Park has established itself as a true destination for riders along the East Coast. Riders of all levels are invited to learn and compete in events in a friendly setting while experiencing amenities normally reserved for large shows.

We have designed a variety of options to fit sponsors' needs, marketing objectives, and budget, but we are always open to creating a custom package for you. With your help, we can continue to grow and further develop the facility - including enhancing events, maintaining footing in rings and on trails, and building our riding pavilion - for the education and enjoyment of equestrians and the community. Becoming a sponsor is the perfect way to showcase your business to the equestrian community and all those who support it.
