## Building a Life Together: Engagements on our Team

We are thrilled to announce two wonderful milestones within our team! Miranda Scott, our talented interior designer, has recently said "yes" to her boyfriend Tyler, marking the beginning of their journey together. Miranda's creative flair has undoubtedly left its

mark on our projects, and we couldn't be happier for her as she embarks on this new chapter. Additionally, Abby Vaughan, one of our most dedicated lead remodeling specialists, has accepted a proposal from her partner Mason. Abby has been an integral part of the team since graduating from the Delaware Career Center in 2019. We couldn't be more thrilled to watch her and Mason continue to build their lives together. We extend our warmest congratulations to both couples and wish them a lifetime of happiness and love.

Whole Home Remodel - Worthington

## Announcements

### New Faces on the Team!

Say hello to our newest team members: Samantha Robbins, our vibrant new Sales Consultant, ready to turn your remodeling dreams into reality with her expert guidance. And Bruce Cohen, our meticulous Office Project Manager, ensuring seamless projects from start to finish. Welcome to the family!

### Crafting Connections

Check out our team at Remodeler's Night, put on by the National Association of the Remodeling Industry (NARI). We are always on the lookout for the latest industry trends and innovative products so we know our clients are getting the best!

## ASK A PRO - Is your home prepared for spring?

"I can't stress enough the importance of thorough spring preparations for your home. Don't overlook critical areas like the attic and basement, where water damage, mold, and pests can wreak havoc if left unchecked. Consider proactive prevention measures to keep your home pest-free as the temperatures rise. Remember to inspect outdoor water sources for leaks and damage, ensuring efficient usage and preventing potential water-related issues. And of course, safety is paramount, so if you have kids make sure to take the time to assess any outdoor play equipment for signs of wear and tear."

## Kitchen Design Special

### Get Your Kitchen Designed for Free When You Build With PSR!

We are currently running a special offer on kitchens until the end of June. When you sign on with us for the initial design phase, our team will meticulously measure and analyze your kitchen, then create a mood board and 1-3 conceptual layouts that are personalized to your style. Utilizing our 3D CAD software, we'll explore each option together to pinpoint the ideal layout for you. Once you're ready to proceed with build, we'll credit your initial design fee back to you! Don't let this opportunity slip away - contact us today and let us bring your dream kitchen to life!
