I can't say enough great things about Lauren of Trousseau Style! She helped me create a vision for my wedding. We met and we sorted through all of my pins and she tied them all together. She has a great eye for color and design and was super helpful! Lauren offered very sound advice on the type of decor to include to bring my whole theme together. She took all my ideas and created an inspiration board to guide my thoughts and show my vendors. She also recommend vendors for different aspects of the wedding. Lauren is super friendly and has a wealth of experience. **I highly recommend Trousseau style to every bride!** She will help make your wedding dreams a reality!
