

To whom it may concern:

Thank you for taking time to meet with our potential student to review their funding options. Cardinal Tech - Institute of Allied Health offers hybrid online courses for those seeking education in EKG/Telemetry and Echocardiography.

Cardinal Tech is an institution accredited by the Indiana Office for Career and Technical Schools. We have opted against accreditation as a Title IV eligible school, and therefore any bank funding will need to be set up personally as opposed to through a school loan.

If you have any questions, please do not hesitate to contact our Admissions office at 219-525-1485.

Thank you in advance for your funding assistance for our potential student.

Warmest Regards,

Jennifer Lindsey  
Executive Board Member  
Cardinal Tech - Institute of Allied Health
