WHY INVEST IN QUALITY PRINTS

Raise your hand if you have a phone, hard drive, or disk, full of pictures that have never been printed. Yep, me too. But I'll never forget the moment a senior told me that they were glad I didn't just hand over a CD of images and then leave the printing to their family! I value digital files as much as you do. They are awesome for posting to Instagram, but Seniors have told me there is nothing like receiving a leather bound album or custom made image box with all of their images in them. Trust me, over the years your prints will become more special to you than some images sitting on a social media profile or stuck on a CD. As great as technology is, it changes, it fails... and you can't pass down a USB from generation to generation.

Let us give you the best of both worlds: We will help you choose your heirloom quality products guaranteed to last generations, AND also the digitals we all love.

So grab a cup of coffee and flip through these pages. Learn how, together, we'll create an experience of a lifetime!

welcome

ON THE COVER

Meet Cameron! Cameron was a 2022 Senior and a valued member of Team 2022. I have been photographing Cameron and her family for years, and their welcoming personalities combined with striking good looks always rank their sessions among my all time favorites. Cameron, a decorated athlete and dancer, was named valedictorian of her class at Roanoke Rapids High School while simultaneously earning a degree from Halifax community college. She is continuing her education at UNC-Chapel Hill. Much thanks to Melissa Ash for the onsite styling of her hair and makeup.

PHOTOS AS UNIQUE AS YOU ARE.

It's important for you to know that I am NOT a "high volume photographer," and that I DO specialize in photographing teens. That means I only accept a small number of clients each year so that I can give a great deal of attention to each one of my seniors. I don't shoot maternity, newborns or weddings, and I limit my family sessions to the families of my teens. That way, I can fully invest my time into serving YOU. I feel strongly that YOU are where I should be pouring my energy, so my education, and my time, is dedicated to YOU.

You deserve SO MUCH from your senior portrait session. I treat my seniors to a high end, luxury experience that I want them to remember as a highlight from their Senior Year. My sessions are fun and relaxed, and all along the way I shower you with little gifts and lots of attention and information. It my goal is to create a portrait experience that is designed around you: where together we bring out your best self, where you come away feeling valued, knowing that you were beautifully and wonderfully made.

You are NOT a number to me...you are the reason I am able to do this job that I love so much. It is my ministry, and I am grateful for the people who allow my team and me to serve them.

TAKE A LOOK INSIDE OUR SENIOR PORTRAIT EXPERIENCE

WE BELIEVE

YOUR SENIOR
PORTRAIT
experience
IS JUST AS
IMPORTANT AS
YOUR FINAL
portraits.

01

BOOK YOUR SESSION

Once you have decided that the LPJ Photography Senior Portrait Experience is for you, send us your preferred session month! Once the session retainer and contract are back to us, your session is set in stone, and the fun of planning our time together begins!

PLAN YOUR OUTFITS

Whether you are a fashionista with a clear vision of what you want to wear, or need strong direction and guidance, we have you covered! Our team will meet with you for a fashion consult where we put the finishing touches on all of your looks, including hair and makeup! Choose accessories and pieces from our closet, let us help you purchase the perfect accessories, or bring everything from home... we are here to help!

02

03

IT'S SESSION DAY!

We will spend so much time pampering and communicating with you, that by the time it's time for your session, you will know exactly what to expect. After your initial hair and make up appointment, we will get started making your vision a reality. Don't worry, not many people feel comfortable in front of the camera. It is my job to teach you what looks good in a photograph, and to make you feel relaxed. Just trust me. We will laugh, I may boss you around a tad :,), and I will likely trip, because I am graceful like that... but in the end you are going to be AMAZED by what we capture.

04

ORDERING APPOINTMENT

I find online galleries a bit confusing, so a few weeks after your session, we will get together again to celebrate YOU over dessert and coffee at your Image Reveal and Ordering Night! The first time you see your images will be to a slideshow set to music. Then we will use printed proofs to help you build your collection and decide which of your gorgeous portraits will soon adorn your walls! We will even live design your custom products!

05

PORTRAIT DELIVERY

Once your print products are back from our professional labs, we will contact you so that you unwrap the heirloom art you have purchased for your home. These portraits document a special life season, and we are proud of the high end quality we can provide for our clients. No more investing hundreds into photos that will end up lost in a drawer or on social media pages never to be printed!

STYL Professional HAIR & MAKEUP STYLING E

THE LPJ PHOTOGRAPHY MAKEUP TEAM

Professional hair and makeup makes a world of a difference for your senior portraits. Here are three reasons we encourage on-site hair & makeup styling for our senior sessions.

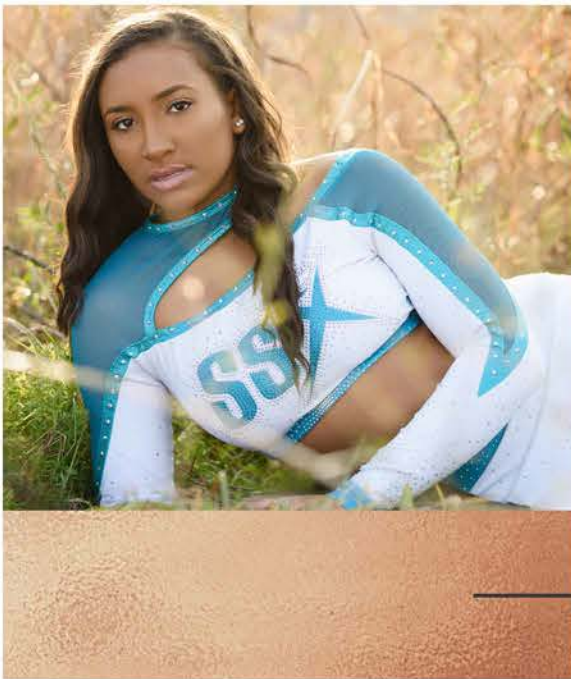

GET PAMPERED

Many teens are good at doing their own hair and makeup. But sitting in a professional's chair takes the stress out of getting ready. Share your inspiration pictures with them, tell them what your likes are... and then get ready to be pampered!

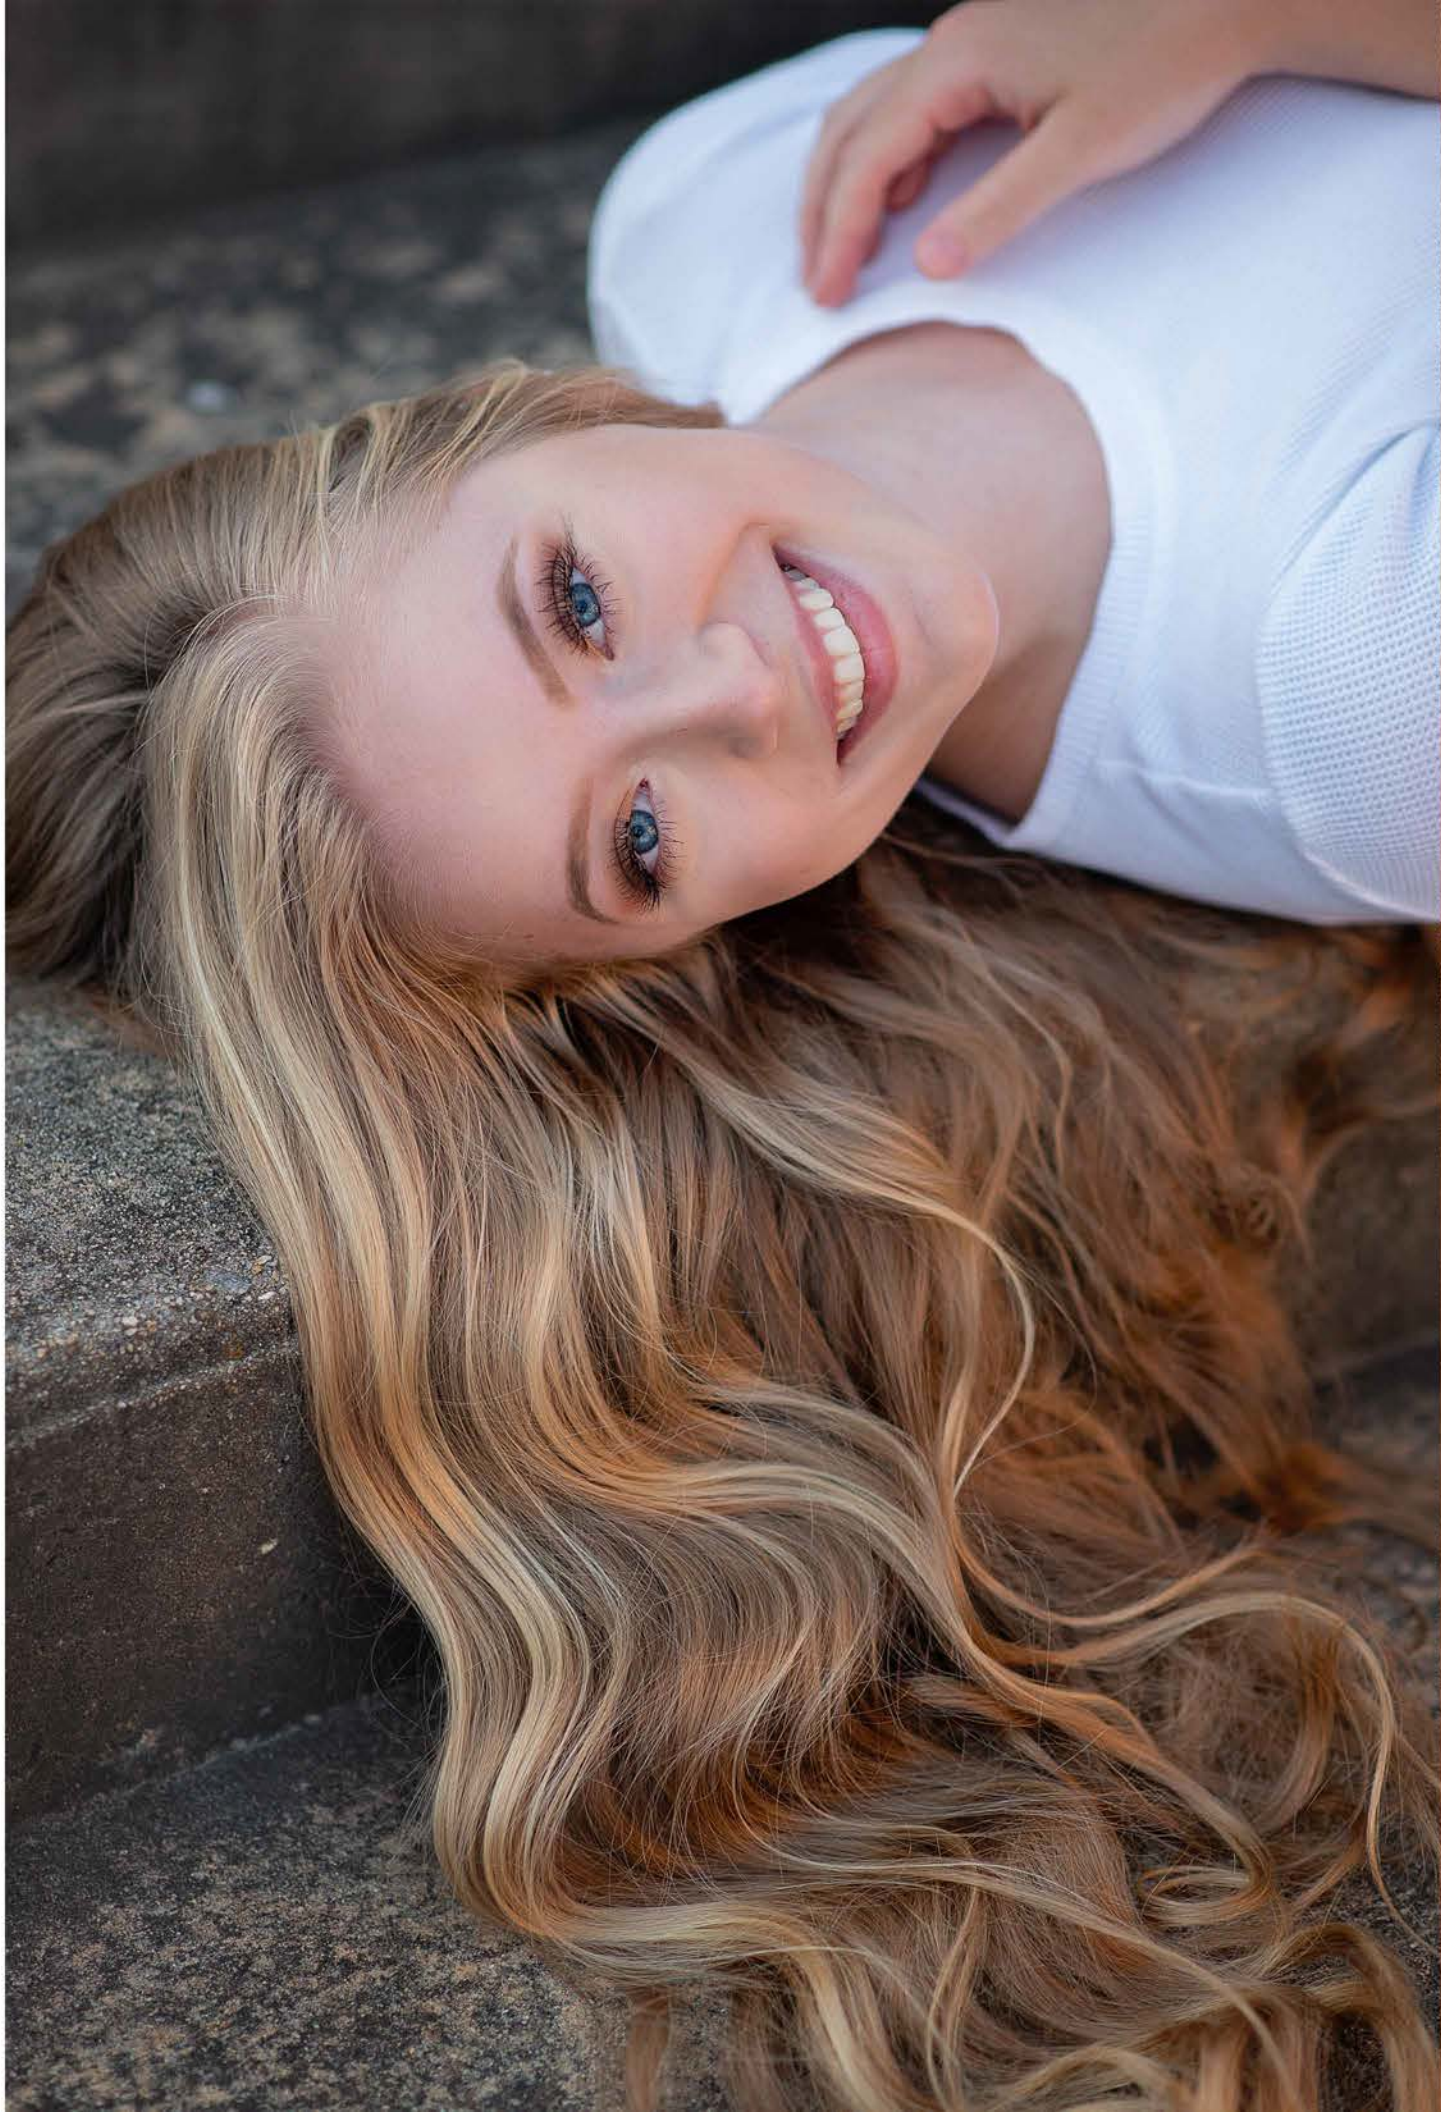

CHANGE IT UP

Having a hair and makeup artist on-site allows us to change your look more completely between outfits. We don't have to be tied to one style of hair or makeup!

North Carolina weather can be extreme. What if it is so hot and humid that your makeup tries to melt or your curls fall out? What if it is so cold that your nose turns red and runs? No problem! We have someone there to fix it!

FIGHT THE ELEMENTS

WE BELIEVE

We believe that you are beautifully and wonderfully made. Our mission is that you come away believing that too.

kind words

We work hard to create a unique, fun, and successful senior portrait session for each and every one of our clients. Here's what a few of our past clients had to say about their senior portrait experience! We can't wait to create the same for you!

LYMARIE IS VERY CREATIVE AND KNOWS WHAT WORKS FOR TEENAGE GIRLS. AS A MOM, I WAS *very comfortable* WITH EVERYTHING LYMARIE RECOMMENDED. SHE ASKED US TO TRUST HER PROCESS AND IT TOTALLY WORKED. THE PROOF IS IN OUR PORTRAITS. OMG! STUNNING! LYMARIE IS A *photo wizard!*

When you finally realize that you have a high-school SENIOR the stress of that entire year starts to kick into gear and of course senior pictures are right at the top. Lymarie took that stress away! She gives more to her clients than solely photography during a special session. Carleigh is a Team 2022 rep and has looked forward to every session from group to individual. The connection Lymarie gives brings their session to life. From the advice she provides during the "fashion consult" to the ordering session, the entire experience is completely catered to you. Her skills are unparalleled and she knows how to take pictures that truly capture your personality!

Thank you Lymarie for the time, love, and passion you put into Carleigh's senior photos.

Lymarie has such *great energy*, and she has a true gift for not only taking great photos, but also for making the people she's working with feel *comfortable, confident and valuable*.

This is not just a job for her. It is a calling, and she does it with a beautiful mix of passion and grace. As the mom of a senior, my job was to help, but also to *enjoy and savor* each moment.

Lymarie understands that I cannot recapture and re-live a single moment with my child, but we have *precious memories* that will last a lifetime. She wants to be instrumental in preserving those memories and solidifying the beauty that each young person finds within him or herself along the way,

My experience with Lymarie was absolutely amazing!!!! She made me feel so beautiful and she truly inspired me to not judge myself so much.

Lymarie has the sweetest soul and I am so glad I met someone so incredible to take my senior pictures. I could really see who my true self was with the images she took of me. Being on her LPJ team has been one of my favorite memories this year.

Especially with covid ruining our senior year, she tried everything she could to make it up to us. I will always remember this special year with the LPJ team. Thank you for everything Lymarie and for always making me feel beautiful.

BEING A SENIOR REP FOR LYMARIE WAS DEFINITELY A *highlight* OF SENIOR YEAR. FROM THE FIRST TIME MEETING HER, I KNEW SHE TRULY CARES ABOUT EVERY CLIENT. OF COURSE THAT SOUNDS CLICHÉ, BUT HER WORK COMES FROM HER HEART. IN A WORLD THAT CARES SO MUCH ABOUT COMPARISON AND BEING FLAWLESS, LYMARIE *shines a light* TO SHOW THAT BEAUTY IS MORE THAN SKIN DEEP. SHE CHEERS YOU ON AND ENCOURAGES YOU BY SHOWING THAT BEAUTY IS FOUND DEEPER. FROM THE YEARLY PROJECT BEAUTY SHOOT TO EDITING THE IMAGES SO I STILL RECOGNIZE MYSELF, LYMARIE IS SO MUCH MORE THAN JUST A PHOTOGRAPHER. HER ATTENTION TO DETAIL AND *organized planning* HELPED ME FEEL RELAXED ABOUT EACH SHOOT AND *live in the moment!* I'M GOING TO MISS WORKING WITH YOU SO MUCH BUT I'LL BE BACK!!

I am probably one of the few dads who has ever gone to his daughter's senior shoot with Lymarie. I can tell you, I am happy that I got to experience this with my daughter. Lymarie made everything so easy and made Natalie feel so comfortable in front of the camera!

When we did our first consult with Lymarie, she was going over all the details, she said that there would be a picture that would remind me of my little girl. Sure enough, when I was looking at the sneak peak, not only did I see Natalie as a beautiful young woman, but then I saw the one picture that flashed me back in time to when she was a little girl.

Hands down, if you want the best experience for your senior, Lymarie should be first on your list! Thank you Lymarie!"

LYMARIE'S PASSION FOR WHAT SHE DOES IS SECOND TO NONE. SHE DEFINITELY MAKES YOU FEEL LIKE YOUR CHILD'S PHOTO SHOOT IS THE MOST IMPORTANT THING SHE HAS GOING ON.

I HAD A VISION OF WHAT I WANTED THE BASEBALL SESSION TO LOOK LIKE AND I WILL SAY, SHE FAR EXCEEDED WHAT MY VISION WAS. HER ATTENTION TO EVERY SMALL DETAIL WAS *incredible*! EVERY ACTION SHOT WAS WELL THOUGHT OUT AND WE DID AS MANY SHOTS AS IT TOOK TO GET THE PERFECT PICTURE.

IF YOU ARE ON THE FENCE ABOUT WHETHER TO DO THIS FOR YOUR CHILD OR NOT... *DO IT*. YOU WILL NOT BE DISAPPOINTED!

I am so thankful for Lymarie and her amazing work! She has worked with me all year to make sure that my senior year was everything I wanted it to be. My pictures really define me and my personality and it amazes me how she was able to show that in her work. Throughout this year I have learned to *find beauty in the imperfections* and that's something that will stick with me for a lifetime. I started comparing photographers during my daughters junior year: prices, pictures and session details for several photographers. Lymarie was so personable, we felt like we had known her for years.

Senior year is so busy, especially when you have an athlete. Lymarie was so helpful and patient when it came to setting up dates for fittings, picture sessions and our reveal session. She makes sure that your child is heard and feels special on their day.

She takes her time, you are not rushed and you feel like you are her only client. We have been in awe of all the results so far,,. She didn't provide my child with just a photograph, she provided an experience with memories to last forever!"

MEDIA DAY *sessions*

LIGHTS, CAMERA, ACTION...

— ATHLETES

So much about the glory of athletics is dependent on the individuals' hard work. Media Days let athletes show off while they let loose and blow off steam under studio lights. The lighting and retouching give the images a more dynamic look than my normal portrait style... and that is by design. Senior Sessions are meant to show our clients who they are on their best day. My lighting is usually soft, and my edits are significant, but subtle. Ahhhh, but athletes to me are bigger than life... their portraits should be live action and powerful too.

LIGHTS...

Media Days are an exciting studio session designed to highlight athletes with traditional portraits and action shots... it is very much like the media days college athletes get. We can shoot in studio or on location. I've always thought athletes were extraordinary ... their "sportraits" should be too!

CAMERA...

These sessions are a lot of fun for the athletes because of the action we are able to capture, and I have found that adding one or two teammates to the shoot makes it an even better experience. That way, they can toss to each other, and in the end, they end up with more images, because we are able to get creative with group shots too

ACTION....

I love sports. I love athletes. And I miss my years as a coach, when I could give my athletes a little direction, and watch them become larger than life. Action sports portraits lets me take my "pose coaching" to another level: the results are FIRE!

STUDIO AND ON LOCATION LIGHTING

In studio, or on location, as an individual, or with teammates... any way we do them, these are quickly becoming my favorite sessions to shoot.

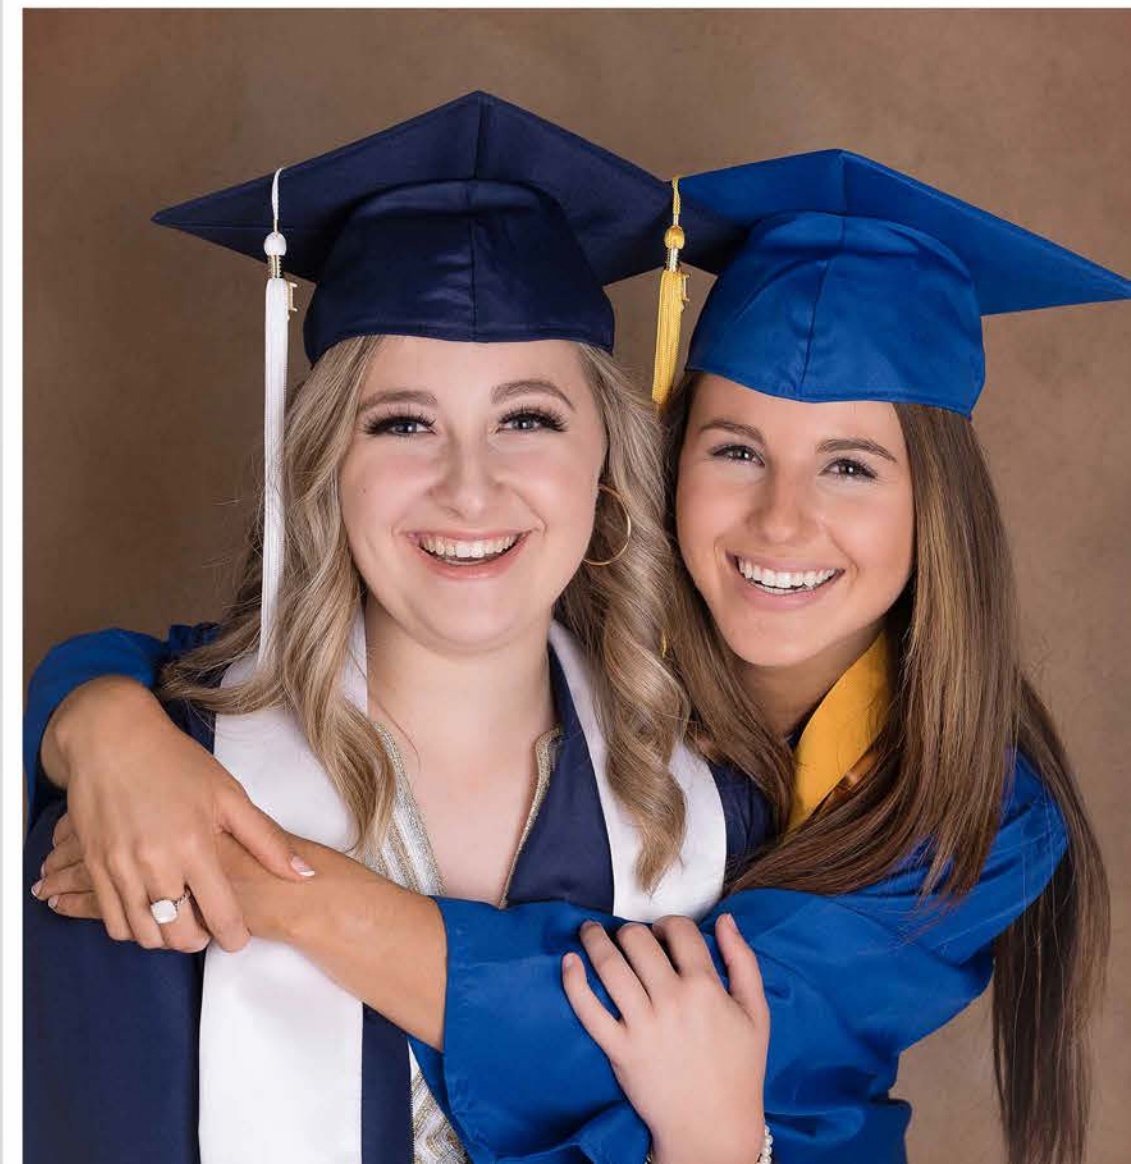

THE STUDIO

Many of our Seniors choose to shoot their portraits in natural light locations. But did you know that we offer the option to start or end your session in studio, under lights?

Choose a high fashion look, pose for traditional cap and gown or drape portraits WITHOUT the rush of school versions, or wear your sports uniforms for a creative slant on individual sports photos.

Let's make your images uniquely you!

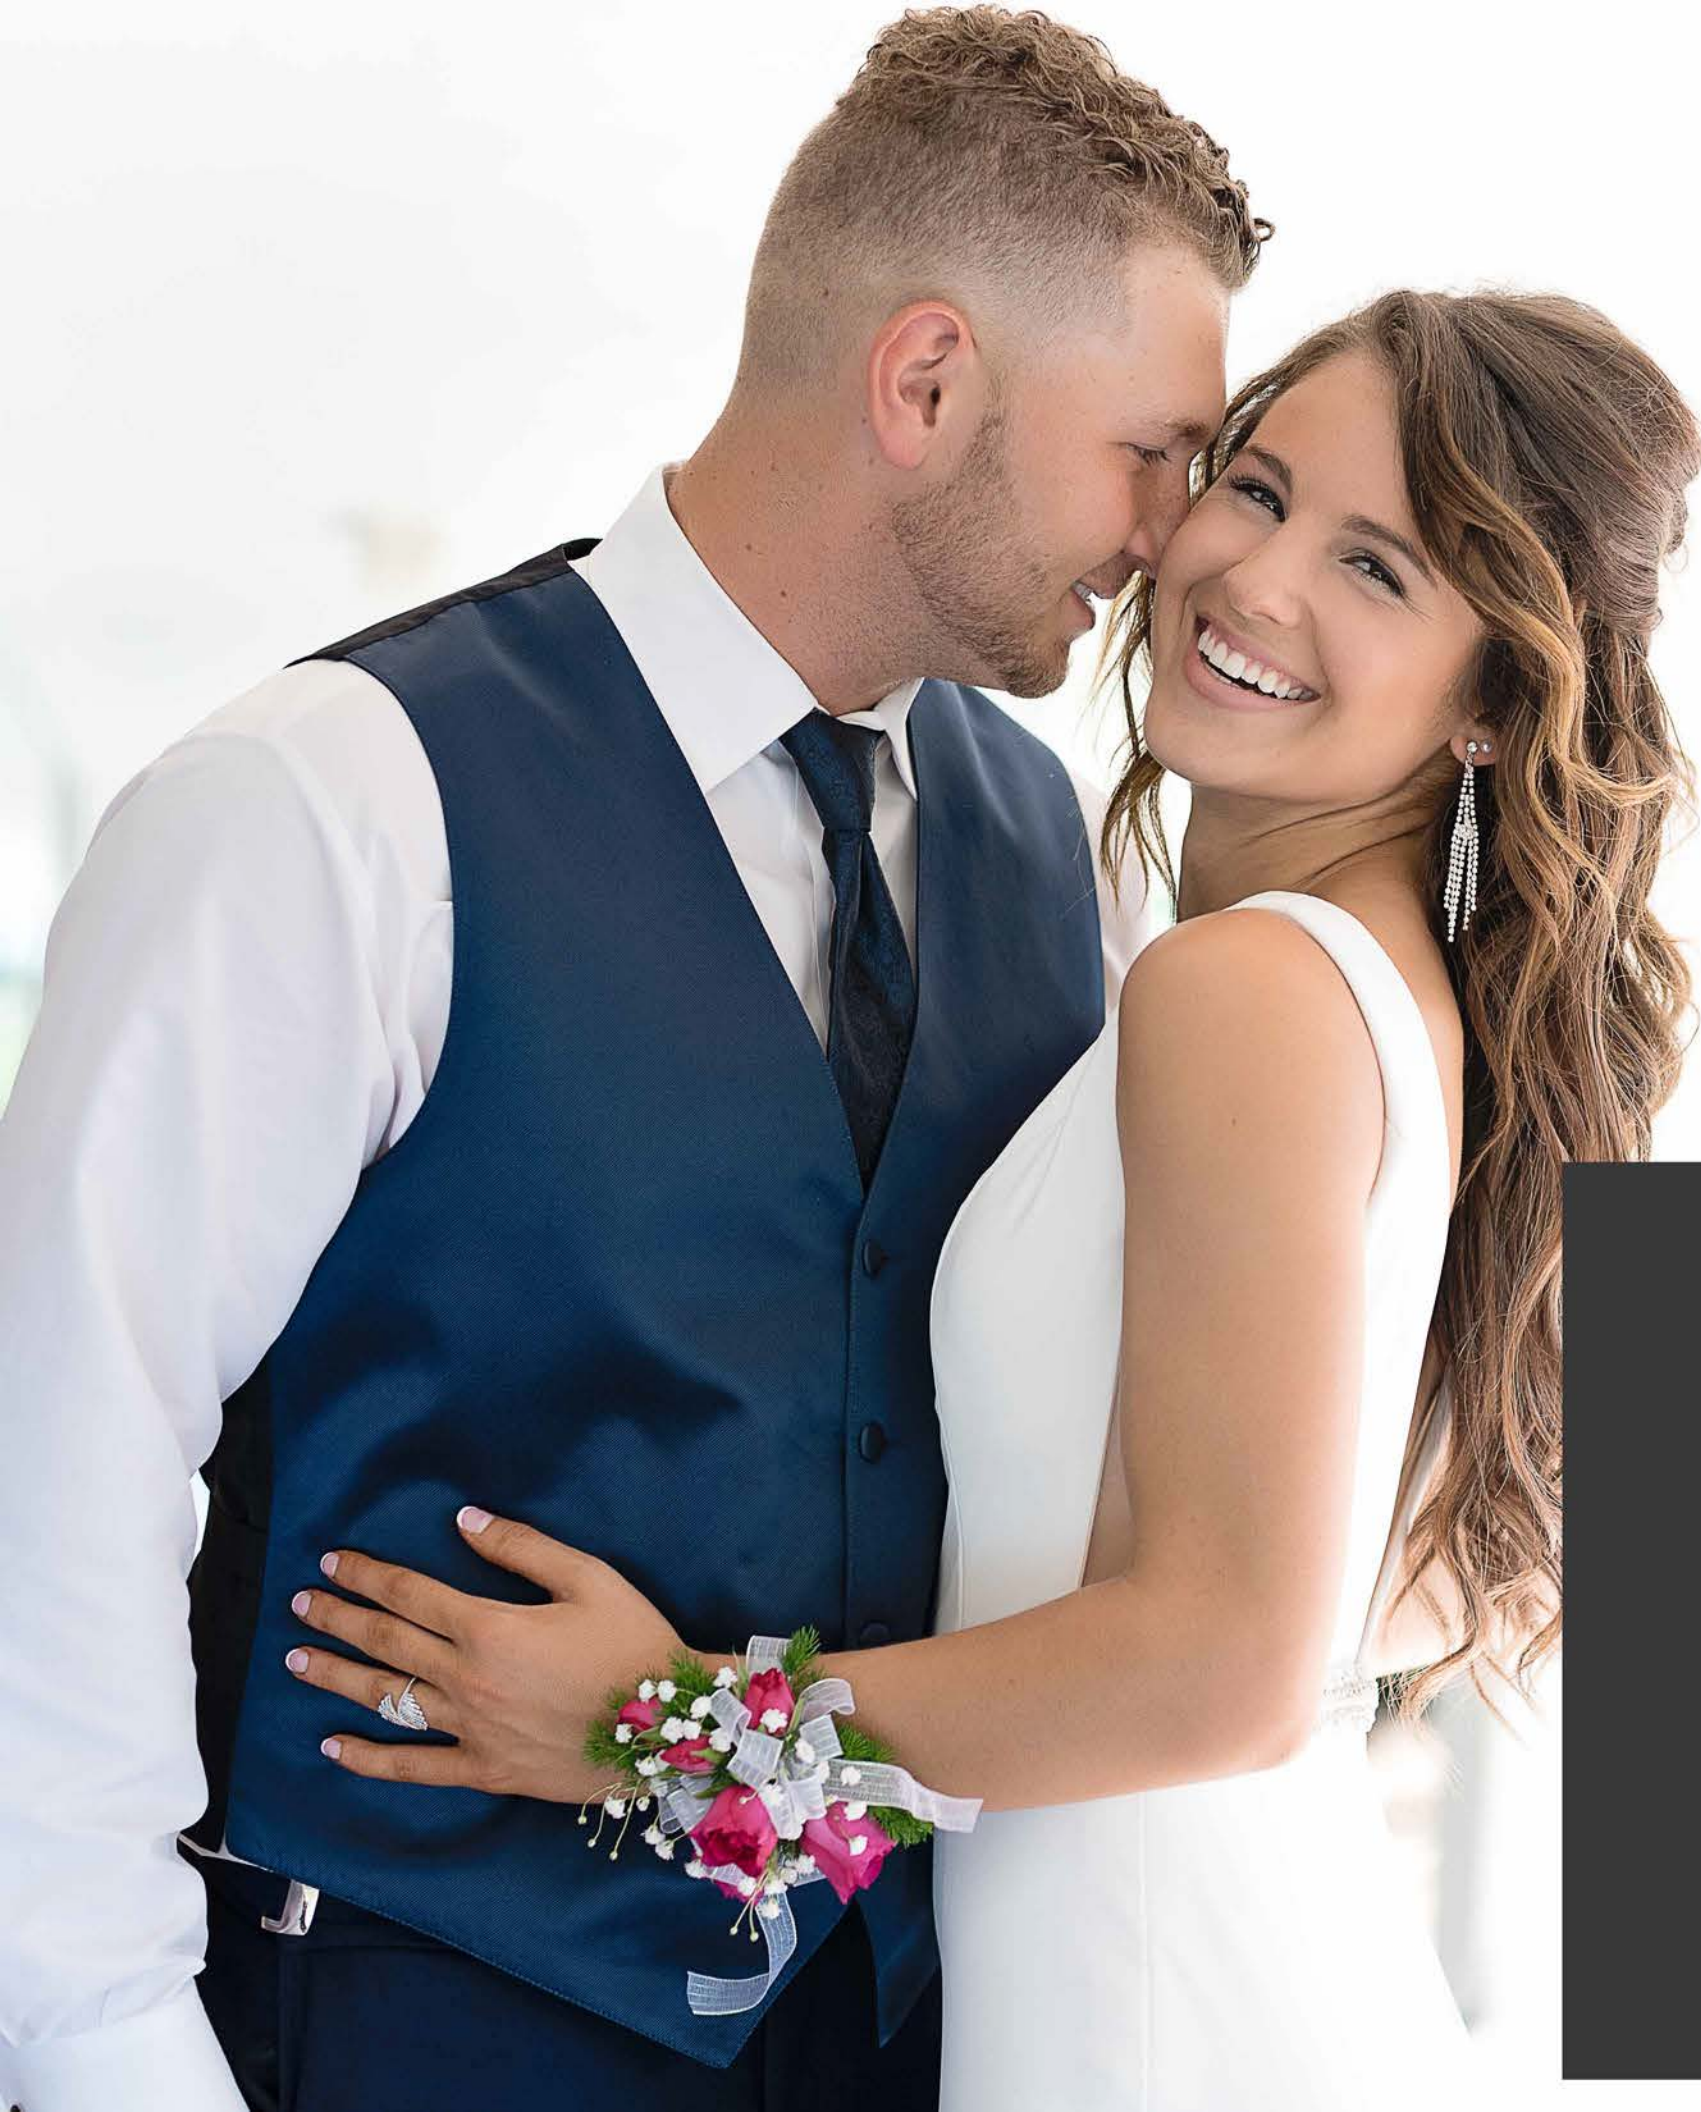

FREQUENTLY *questions*

OUR CLIENTS' MOST COMMON QUESTIONS, ANSWERED!

— ASKED

Q A

WHEN SHOULD I BOOK MY SESSION?

Book early to get your preferred month and day! We also want to leave plenty of time for your fashion consult and planning, so booking 4-8 months in advance is the norm! Our days available for shooting are limited to a handful per month, and dates go quickly for our busy Seniors. Remember, we do not schedule multiple shoots per day, so that all of our attention can be focused on our Senior and their session. We also do not shoot on Reveal Nights or Fashion Consult days, and have leave room in our weekly schedule to account for rainouts or other scheduling issues that may arise for our clients.

Q A

HOW LONG WILL MY SESSION LAST?

Sessions last 1.5 to 3.5 hours, depending the type of session you book, whether you choose to have our make up artist on site with you, how many outfits you choose, and the number of locations we utilize.

Q A

WHEN IS PAYMENT DUE AND WHAT FORMS OF PAYMENT DO YOU ACCEPT?

The session retainer is due with your contract at the time of booking to secure your date, with a Pre Paid Order Credit for Deluxe Extended session due by your session date. Anything else you purchase is due on your Reveal and Ordering Night. The Pre Paid Order Credit will be applied to your balance on Reveal Night.

Cash rocks my world, but checks and credit cards are welcomed.
