I've had the pleasure of taking branding photos with CLP, and her work is truly unlike any other. Her attention to detail is unmatched! From the way she directs the shoot to how she shows your personality and brand in every image. I always leave our sessions feeling confident, and empowered. Since incorporating her professional, high quality photos into my business, I've seen noticeable growth in both engagement and client trust. Her talent is next-level, and I honestly can't imagine working with anyone else!
