

## ***Fantasy/Creative Sessions:***

### **What are fantasy/creative sessions?**

These are an elaborate in-studio or on location session in any style you can imagine. Full set design, costuming, the works. These sessions are fully customizable. You choose your theme/s, location and style, and I make it happen. I am able to provide a range of services for these sessions; hair and make-up, body painting, custom costume design, prop design, special-effects ie smoke machine, etc. The only bounds with fantasy sessions are your imagination.

### **Who are these sessions for?**

These sessions are perfect for anyone who wants to have fun with creative ideas/characters. Ideal for individual portraits, couples, maternity and children. I can photograph newborns in this setting, but they will need to be held.

### **What do you need to wear?**

For Collection One you will need to supply your own costuming. For Collection Two, I have a small selection of costumes available and can include some costume design depending on your chosen theme.

### **Location options...**

Depending on your chosen theme, your photo session can be in-studio or on location. We will choose a location that suits your character or theme. Some locations could have an extra cost and may be added to your selected collection.

### **How long will the photo-shoot go for?**

Depending on your chosen theme/character, the time can vary from 3 hours to a full day.

### **On shoot special effects and post production creative editing...**

If you are needing any special-effects make-up for the shoot itself, or other extras that can help make your photoshoot, this may cost extra depending on the complexity. With editing, again, depending on your character or theme choice, this will vary. If any special-effects editing is needed, this will also be discussed prior to the photo session so that you are aware of any extra cost involved. I will help you and organise any extras that are required.

### **How to book in a session?**

You can contact me via email, phone, website or social media. We can then work out a date that suits and I will send you a session invoice. Once the non-refundable booking fee has been paid and digital agreement is signed, you will be officially booked in for your session. Contacts are below.
