15-30 minute session options for pets and family members. Price includes session fee and 5-10 professionally edited high resolution digital images.

EST. 2005

With over 15 years' experience, Jen has truly seen it all and is confident any pet can be photographed.

ABOUT JEN

Internationally published pet photographer born and raised in Kansas City.

GOING WITH GRACE

In 2012, Jen founded a separate division Going with Grace© encouraging pet parents to document their beloved furry companions when their journey over the rainbow bridge is near. These specially priced sessions are for senior or critically ill pets.

ACCOLADES

Featured in a multitude of national publications including Dog Fancy and Amazon's Happy Tails Books.
