GOAL:

**Understanding that AS A CHRISTIAN your Heavenly Father wants you to not only enjoy the blessings you receive for yourself, BUT use them to ALSO take care of others who need it. He will give you more than enough AS LONG AS you operate in tithe AND offerings.

BLESSING THE POOR

Let's review WHAT YOU READ this week:

We know this topic can be in-depth so that's why we split it up into 3 videos.

We want you to truly understand the importance of giving and receiving. It's a system that God set up for every Christian so you can live at your full potential. You are called to be a light in this world.

People who don't know Jesus shouldn't be doing better than you and doing more for the poor. Take time to study out all of the verses from these 3 videos and Bible studies with your parents.

Make it a point to set your tithe aside every time you get money. Make a goal to give the biggest offerings this year you have ever given. Find a place to help those who need something and make it possible for them.

If you're not sure where to start by blessing the poor, our ministry gives every day to a wonderful organization called "Feed The Hungry" started by a powerful man of God, Lester Sumrall.

Through Feed The Hungry, we provide 3 meals a day to precious children who need food to eat in different countries of the world. If you want to be a part of how we bless the poor at Miracle Word, you can go to miraclewordkids.com and click GIVE.

THANK YOU for being a blessing!! We love you!
