

# STRIVE LAW FIRM'S DOS AND DON'TS OF DIVORCE WITH KIDS

## DO!

- Change your passwords
- Open a separate Bank Account
- Think about where you want to live during the separation
- Keep a written journal of important events/dates!!
  - Include interactions and involvement with kids from both parties
- Record conversations that might be helpful in court
- REMEMBER anything you say or write can be used against you in court
  - This includes texts and social media posts
  - Do not text your spouse anything you wouldn't want a judge to read....

## DON'T!

- Leave the marital residence...
  - IF you want to live in the marital residence during separation
- Post about your situation on social media
- Talk badly about your spouse to others
- Worry about money
  - Postseparation support, alimony, and child support are probably options
