## 01/ THAT GRAZING CO

We offer savoury, sweet and brunch options. Our 0.5M size is perfect for up to 15 people, this petite-yet-plentiful spread is ideal for shoots as we offer a fuss free set up alongside the Social Studio Group. The grazing table is all styled to elevate your shoot without overwhelming your frame. Compact, camera-ready, and absolutely delicious, it's the ultimate edible prop for your session at Social Studio Group.

## 02/ RENT MY EVENT MELBOURNE

Most content creators and brands aren't just showing up to shoot one thing — they're trying to get the absolute most out of their session. That means e-comm, UGC, editorial shots, reels, stills... all in one day, and ideally, all in one space. The last thing they want is a studio that looks great in one corner and nowhere else.

## 03/ MATCHA DAYS

Matcha Days is a Melbourne-based specialty matcha brand that brings calm energy and creativity to any space. We cater private events, studio sessions, and brand activations with handcrafted matcha drinks made from premium Japanese tea. Our fully mobile setup includes everything needed to serve high-quality drinks on-site. We can also customise our setup, cups, and signage to align with your brand's aesthetic; perfect for shoots, wellness sessions, or celebrations that deserve a unique touch.

## 04/ CREATIVE DIRECTORY

The SSG Creative Directory is a go-to list of trusted photographers, videographers, stylists, and content creators we've worked with and genuinely recommend. If you love the studio but need someone to capture your shoot or event, this is where you'll find them. Each creative has been handpicked for their skill, professionalism, and ability to make the most of the space.
