*Note: Standard Cake Only: 2-3%, Cake + Modest Dessert Table: 3-4%, Large Dessert Spread (with variety + styling): 4-6% - Includes custom cookies, mini desserts, multiple stations, late-night snacks, styled displays, stands, and signage. If desserts are doubling as decor or guest favors (like boxed take-home treats), they might even stretch to 6-7% depending on quantity and presentation.*

Favors/gifts: 1 - 2%

Cushion: 5 - 15%

Other: 3 - 5%

*Note: Real costs, often forgotten - attendant gifts, parent gifts, rings/accessories, guest book, thank you cards, vendor tips, alterations, etc.*

## Budget Tips

- Clarify who's contributing - Know up front who's paying for what.
- Start with the guest list - More guests = higher costs across the board.
- Tented/private estate weddings cost more - Budget at least \$700-\$1,000 per guest for a tented setup.
- Season impacts pricing - Peak seasons can drive up vendor costs and minimums.
- Prioritize what matters most - Decide where to splurge and where to scale back.
- Track your spending - Use a budget tracker to stay organized and avoid surprises.
