

MAC Holiday “Sacks”

Beneficiary: Milk and Cookies Children’s Program, Assisting Families of Inmates

Purpose: Thank you for helping **AFOI** and the **Milk and Cookies (MAC) Program** send a holiday gift home with every student this winter season. Your generosity ensures that each child we serve receives both thoughtful gifts and essential items before winter break.

The **MAC Program** works within eight Richmond City Public Elementary Schools, providing weekly support groups for students who have an incarcerated parent, caregiver, or close family member. AFOI’s work increases public safety and reduces recidivism by breaking down barriers between the incarcerated and their loved ones.

Thank you for your support and helping us spread holiday cheer to our MAC families!!
