About Me

Hey There!

I have been helping women feel confident in their skin for 20+ years. I feel honored to have worked with thousands of clients in all aspects of my field. From working at MAC, dabbling in film + print, to years of bridal work, as well as camouflage makeup post-surgeries, I am confident that I can help you achieve your makeup goals.

Keep it Natural

Makeup for the everyday woman.

Let's be real...we all don't have hours each
day
to fuss over our makeup.

We will be doing a workshop on a natural
makeup look for all skin types, face shapes +
ages.

Makeup made easy... simple steps to look
polished without a lot of time.

Glam it up! ✨

Glammed up at any age!

A makeup clinic on how apply a smokey eye look with ease.

We will cover ways to pick colors + techniques for application suiting your definition of glam.

We'll work around "texture" of the eyes + lips, creating a glammed version of yourself while keeping you in your comfort zone.
