Each ACVS training is intended to not only provide knowledge but to enhance skills. In our experience interactive trainings are much more effective for adult learners.

Please explain your experience in presenting the topic(s) you checked:

Year(s) you presented topic(s)

What agency or agencies have you presented at?

Approximately how many attendees were there?

Was the training: **Advanced**

Basic

Were evals completed? If so, what was the response? Type any comments from the presentation that you received.

How do you plan to make the presentation interactive?

Are you available to travel statewide without compensation aside from travel expenses?

Yes

No

You can email the completed form to: Connie Chapman avaacademy@gmail.com.

Once the request is received, the Project Director will contact you to discuss the training.
