

The Matted Album.

The Matted Album embodies a classic elegance and impeccable attention to detail. The thick pages encourage the viewer to take their time to appreciate each image individually.

Your prints are mounted underneath bevelled mats to individually frame each image. The album lays flat but unlike the original Fine Art Book, Matted Albums are available in 14x10", 12x12", 10x10" and 8x8", although copies can be easily made as a Fine Art Book in any size.
