

Thank You

We take immense pride in serving the Covington community by providing food and other resources through our partnerships and donors. Together, we strive to ensure food security for our friends, neighbors, and family. In King County, approximately 1 out of every 10 individuals experiences food insecurity, and we are determined to fight against hunger. We work tirelessly to reduce barriers, provide opportunities, and develop new ways to deliver food to the 98042 and beyond. Our Backpack Buddies program is thriving and expanding, home food deliveries are increasing, and our need for volunteers is at an all-time high. As our clients' needs continue to grow, we remain committed to being the go-to resource for love, care, and food. We are grateful for your support of The Storehouse and for entrusting us with your resources. Because of your support, we are able to feed another family, care for another person, and provide for another child in need. Please consider joining our Heart Work Squad and having your logo featured on our shopping carts, newsletters, social media posts, and more.
