

the knot party

a party with pop

PHOTOGRAPHY BY ALLISON MAGINN PHOTOGRAPHY

The Knot enlisted the expertise of **INTERTWINED EVENTS** to create a pop-art-inspired evening at Costa Mesa's **CHUCK JONES CENTER FOR CREATIVITY**. Local wedding professionals showcased their designs and ideas with a neon twist.

"When asked to plan The Knot OC market mixer, I immediately went to the neon trend, as I knew I wanted a *big* party, not just a networking night. Think Kate Spade and Andy Warhol, bright colors, bold patterns, a pop art feel and a funky flair, and you will know exactly where we went with the night!"

— Katie Webb, Intertwined Events

"Going '80s-pop at an art gallery is an excellent way to pull off the beloved decade's signature styles. My favorite was the custom dance floor!"

— Rebecca Crumley, The Knot Weddings Photo Director
