INTERACTIVE
PDF

This interactive PDF contains examples of supplemental services offered by Shane Wheeler that are not listed on his main portfolio site. The purpose of this PDF is to have a shareable and printable document that focuses solely on graphic design.

It contains selectable "click" areas that allow for easy page navigation, external links and viewing magazine, Newsletter & Booklet samples of Shane's design work.

Links will function correctly in web browser and Acrobat. Links may not function in Facebook Messenger. If received in messenger, download to computer to open.
