OUR COACHES

MEET Coach Chris Forsten

Chris graduated from the College of William & Mary with a B.S. in Kinesiology. He served as the W&M baseball team catcher and was a three-time captain. During his career, Chris started in 171 of 182 games, and still holds the school record (73) for most runners caught stealing. As a freshman, he earned All-CAA Rookie Team accolades before garnering preseason all-league accolades as a sophomore and junior. Chris also worked as a physical therapy technician with Tidewater Physical Therapy, where he learned a great deal about injury and injury prevention. He is excited to continue his training, education, and instruction in the northern Virginia region and to spread his love and knowledge of baseball.

MEET Coach Russell Hill

Russell graduated with a B.S. in Kinesiology from Longwood University, where he played for the school's NCBA baseball team. He was a starting infielder for three years and was team captain his junior and senior years. With a .369 career batting average, Russell helped lead the Lancers to three consecutive conference titles, three national top-10 finishes, one regional title, and the program's first ever trip to the NCBA World Series. He was also the assistant head varsity softball coach at Kettle Run High School for three seasons, where he helped the team to its best record in the school's history and first ever conference title.

OUR COACHES

MEET

Coach Bradley Martin

Bradley played baseball at Culpeper High School and continued his baseball career at Bluefield University. After 2 years there, he transferred to Liberty University and graduated with a Bachelor's Degree in Sports Management. Bradley is responsible for coaching baseball lessons for youth boys, coaches several Speed and Strength Performance classes, and has run our Summer Baseball Camps. In addition to providing baseball skills knowledge, instilling a strong work ethic, creating an atmosphere of respect/discipline, and coaching not just to develop athletes but better people is paramount to his cause.

MEET

Coach Marissa Croson

Marissa played softball and basketball at Fauquier High School and continued her academic career at Longwood University, where she played for the Club Softball team and graduated with a Bachelor's Degree in Kinesiology, with a minor in Psychology. Marissa has been coaching several Jr. Performance classes, Intro to Strength classes, helping out with the Strength Performance classes, and coaches softball lessons for youth girls!
