PHOTOS THAT MAKE YOU FEEL SOMETHING.

Wanting photos that really hit you in the feels, aren't staged and are unique to you? Then you're in the right place. I don't take perfect photos, I tell stories.

My heart is so passionate about storytelling and capturing life as it unfolds. The real stuff, the stuff that makes you YOU. Your life doesn't look like everyone else's so why should your photos look the same too?

HEY, I'M JOEY...

I am a Hawkesbury based photographer, dedicated to instilling the details of life in a photograph. It's these simple, small moments that tell untold stories, seize happy memories and craft an invaluable and emotional experience, that will become a nostalgic centerpiece in your family, for generations to come.

I have a passionate love affair with photography, people and stories. The art that is created through the lens, is more than pretty pictures. I take photos that make you feel something. Ready to create magic together? Keep on reading!

"THE STORYTELLER SESSION"

If I could tell you one shoot to book, whether you're after a family, motherhood, maternity, newborn or lovers shoot, this would hands down be the one.

I am trying to change the way we look at photography and what it means to "get our photos done". Pretty, posed, aesthetic pictures are nice, but are they really personal? Do they tell a story? Do they tell me about your family, your life, your personalities, your everyday? Probably not. That's what I'm here to do. I'm here to tell your story. Capturing the moments that matter, even if you don't know it yet. These are the photos you will one day show your kids and say "that was us, that's who we were". This is your story, let me help you tell it.

THE STORYTELLER.

CANDID | LAID BACK | AUTHENTIC | FUN

Have you ever had those times, where you are with the people you love and thought to yourself how much you wish you could freeze this moment in time? I'm not talking about the crazy, wild, once in a lifetime experiences, I'm talking about those small everyday moments that bring a sense of comfort and nostalgia. Quite simply, the precious moments that make up your life. It's those times that absolutely warm your heart, fill your soul and will come to form the memories that you cherish to look back on.

"The Storyteller" consists of me taking the backseat to capture your life in two fun-filled, memory-making hours. Forget I'm there, be yourselves, let your kids run wild and make every effort to be present in the moment you're in.

NOT SURE WHAT TO DO? HERE ARE SOME EXAMPLES:

A Sunday morning, cooking pancakes, drinking coffee and lounging about in the winter sun. The kids are playing with the dog, jumping on the trampoline, reading by the fire or whatever other activities your kids just love to do!

An afternoon in town getting ice-cream, playing in the park and exploring the streets and the old buildings that line them.

A Saturday evening, a campfire, a few beers and a couple of wild kids riding their bikes around the paddock! Maybe topped with homemade damper or roasting marshmallows.

A rainy afternoon spent inside making a cake, reading books, doing a puzzle and curled up on the couch with a hot cup of tea.

An early morning spent in the local orchards, picking baskets of apples, running through the lines of trees and eating home-cooked apple pie to finish.

WHAT'S THE PRICE AND WHAT DOES IT INCLUDE?

The Storyteller shoots are a flat price of \$1500 which includes the shoot (up to two hours), up to two separate locations (within 15 minutes of each other) and ALL photos from your gallery (approx. 150+)

Together we will plan your session, come up with locations, activity ideas and of course outfits!

You will receive your photos via an online gallery, with access to every photo and you will further have the option to purchase prints or photo albums.

WHO IS THE SHOOT BEST SUITED TO?

Absolutely everyone. They're perfect for families but also maternity, newborn, motherhood and lovers. They're a great option for people who feel nervous awkward in front of the camera too.

DO YOU OFFER PAYMENT PLANS?

Of course. I'm very flexible with this, just ask.

I WANT TO DO THIS BUT HAVE NO IDEA WHAT TO DO.

That is one thing you certainly don't need to worry about. There is something for everyone and no, it doesn't have to be anything crazy! I have a comprehensive questionnaire for you that will help me get to know you. It also has a list of ideas that you can tick just so I can get an idea of your interests and hobbies. You then have the option to have a planning call with me where we can discuss ideas further. Remember, this is your story, not anyone else's.

WHAT MAKES THESE SESSIONS UNIQUE?

Every part of Storyteller Sessions are unique and that's because they are tailored to you. No two sessions are the same and that's the beauty of it! They won't look like every person's photos in a field, because they will be activity based and led by your family. Not to mention the incredible TWO hours of complete present and guilt free time you get to spend with your loved ones. No phones, no work, no distractions, just two hours of fun and love. What more could you want!

I GUARANTEE, that in 20 years when you go to show your kids these photos, you will be so grateful to your past self for making the investment. These documented memories and literally priceless and the photos a true reflection of you, not just a pretty picture.

OKAY BUT MY HOUSE ISN'T AESTHETIC!

This is probably the most common comment I get and I understand. In a world that is caught up in perfection, aesthetics and looking good for Instagram, it's only natural to feel like this. But ask yourself, who are you really doing these photos for? Is it for some random person on the internet, or is it for you and your family? Your kids don't care about aesthetics. They want to look back at photos of the house they grew up in and remember their childhood memories. The mess, the chaos, the imperfect. That's what it's all about!

STANDARD SHOOTS.

FAMILY | MOTHERHOOD | MATERNITY | NEWBORN | LOVERS.

These might be my 'standard' shoots but they are anything but boring! If you are drawn to effortless, timeless and imperfectly perfect photos, then you're in the right place. I'm not just a photographer, I'm a creative. To me, photos are more than just a pretty picture, I want them to mean something. So if you're down to get creative, try something unique and happy to trust in my art, then keep on reading to find the perfect package for you.

"IN THE GARDEN"

Welcome "In the Garden" shoots! There is nothing more pure, innocent and natural than your little one's barefoot, playing with dirt and curiously exploring nature. These shoots are a chance for you to capture those candid and heartwarming moments of your little ones. Perfect for milestone shoots (e.g. first birthday) and intimate motherhood moments that will leave your heart full. Smell the herbs, pick a flower, collect eggs, swing on the old tyre and everything in between – this experience is the perfect candid photoshoot opportunity.

WHAT IS THE PRICE AND WHAT DOES THAT INCLUDE?

In The Garden Shoots are \$500 which includes a 45 minute shoot, 10 digital images of your choice or for an extra \$200, upgrade to the whole gallery. A \$200 deposit is required.

You will also have access to my client closet for the shoot as well as a range of props such as baskets, carts, cute gardening tools etc.

WHERE IS THE LOCATION?

The Location is on my parents property here in Cattai.

WHO IS THE SHOOT BEST SUITED TO?

Because the space is relatively small, it is best suited to intimate motherhood sessions, small families or just your little one's. Perfect for a 1st birthday shoot!

It's also best suited to people who aren't worried about getting a little bit dirty, are not scared of chooks (promise they're friendly haha) and who are wanting a bit more of a free spirited session.

PLEASE NOTE THAT THE GARDEN CHANGES THROUGHOUT THE SEASONS AND LOOKS DIFFERENT THROUGHOUT THE YEAR

THE PROCESS & HOW IT WORKS.

1. EMAIL ENQUIRY

You've sent me through an email enquiry through the contact form on my website and I'll get back to you discussing possible options and dates.

2. LOCK IT IN

Yay, we've decided on a date! I'll send you through an invoice for the Creative Fee as well as a contract and questionnaire.

3. CHOOSE A LOCATION

I will have already sent you my Locations Guide. Now it's time for you to choose. If you have another suggestion, let me know too! I am also happy to help with appropriate suggestions.

4. SHOOT REMINDER

It's a week before your shoot and you will receive an automated email to remind you. If the weather is looking bad, I will get in touch with you personally to discuss options. I will also let you know exactly where to meet.

5. SHOOT TIME

Let's go, it's time for your shoot! We will meet at our organised spot. I'll be there to greet you and make you feel at ease. Don't worry, you've absolutely got this!

6. SNEAK PEEK

After your shoot is over you can expect to receive a few sneak peeks from the shoot within 48 hours.

7. GALLERY VIEWING

Probably the most exciting part! Your full gallery is now ready to be viewed. Remember, this is to look at only and the next step is to choose your package.

8. CHOOSE PACKAGE

Time to choose a package. Each type of session covers three packages, each with a different number of images. Choose what suits you best and let me know as well as any add on's you might want.

9. HANDOVER

Once your package has been paid in full, your digital images will be available for download. If you have selected additional add on's such as prints, you can expect to receive these in a few weeks.

FAQ.

WHERE ARE YOU BASED?

I'm based in the heart of the Hawkesbury but offer shoots to surrounding areas and love to travel to the beaches for shoots every now and then.

WHEN WILL I RECIEVE MY PHOTOS?

I will always try my best to get your photos to you as quick as I can, but as a guide you can expect to receive your photos within 3-4 weeks from your shoot date.

DO YOU OFFER PAYMENT PLANS?

Yes of course. I'm pretty flexible with payment plans, just get in touch and we can discuss something to suit.

DO YOU GIVE OUT RAW / UNEDITED PHOTOS?

Nope. I don't send any un-edited / raw files! Most of the magic happens during the editing process, so without that step your photos are only halfway done.

HOW DO I RECIEVE MY DIGITAL FILES?

I use the program PicTime which is incredibly user friendly. When your photos are ready, you will receive a link in your emails to your own private gallery where you have the option to download each photo in web-size or full res. Keep in mind that you will get to view the whole gallery but can only download as many as your chosen package allows.

WHAT IF I HAVE TO CANCEL MY BOOKING?

Life is complicated and the unexpected is to be expected. The creative fee is non-refundable as this helps to protect my business due to turning away all other bookings for your chosen date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation.

WHAT HAPPENS IF THERE IS BAD WEATHER?

Unfortunately bad weather is bound to happen and does happen when shoots are booked. I will likely get in touch with you a few days before our shoot to discuss potential options. I don't like to call off shoots too early as the weather can be so unpredictable and changes all the time. However if we get to the day before or the day of our shoot and we both decide it isn't suitable to go ahead, we will reschedule. Your deposit will be transferred accross to the new date.
