

# The Brook 2022 Lodging Guide

# On-site Lodging

Forget boring hotel rooms, complicated logistics and leaving people behind on the shuttle bus (been there). Simplify your weekend getaway plans with our variety of on-site lodging.

Weddings and gatherings are about the people involved. We want to ensure those people have the opportunity to maximize their time together. Comfort and practicality are the two goals we aim for at The Brook. That's why each accommodation comes complete with a brand new HVAC system, comfy Casper mattresses and your own mini fridge! The Brook strives not only to host you and your guests, but to truly become a local getaway that inspires more time enjoying, and less time stressing!
