Greetings Amarillo Club Members,

Happy New Year! I am excited about this year and all the things we have to look forward to! The first thing I would like to point out is the new design and format of our newsletter. We have made it more reader friendly and have updated the look. In addition to the look of the newsletter, we have decided to move to a bi-monthly newsletter to give the members more time to plan their attendance to events. The next newsletter you will see will come out at the end of February, so be sure to hang on to this edition until then.

Our first big event of the year is the Year in Review on January 11th! We will be celebrating you, the member, as we take a look back at 2018, our accomplishments, and take a stroll down memory lane. This will be a semi-formal event with a photographer on hand to document our current members. We will also take this opportunity to recognize our Legacy Members, those who have been members of the Club for 30 years or more. We would love to see your photographs, newspaper clippings, or memories of the Club from year's gone by. You can send these by email to misty@amarilloclub.net and we will include them in the presentation for the evening. You will not want to miss this event!

The plan for renovations of the 31st Floor continues as we speak to architects and designers to make our dream become a reality. We are excited about this remodel as we feel it will create a more modern space for our members when hosting weddings, banquets, and corporate events.

Also, be on the lookout for new events along with some of the "oldies but goodies". And don't forget, this Club belongs to you, the Member. We love to hear what our members want out of their club. If you have any ideas for events give us a call!

We look forward to this year and all of the excitement it holds.

See you at the Club,
Abhishek Sonkar

A NEW YEAR

A MESSAGE FROM YOUR FOOD & BEVERAGE MANAGER LAUREN WHITLEDGE

Lauren Whitledge

Food & Beverage Manager
lauren@amarilloclub.net

Hello again everyone! This December I learned so much about how the Amarillo Club touches all of your lives! We had busy lunches and dinners while you wined and dined your friends and business associates, and we had so many festive parties to help you celebrate the holiday season with your loved ones, friends, and co-workers. This busy holiday season we have added some new staff and expanded the responsibilities of some of our existing staff members. We all look forward to the opportunity to serve you in the months to come, and we hope to see you all at the events we have planned for your enjoyment!

On January 11th, we have a party designed to commemorate the institution that is The Amarillo Club – The Year in Review celebrates how far the club has come in the last year: from closure, to re-investment from you - our members, to promotions from the within the staff, to new staff, to proposed renovation plans that promise new revenue and hopefully a level of popularity that will mean a whole new generation of Amarillo residents making memories here for years to come. This fabulous event will also feature live music by Patrick Swindell and a Seafood Buffet. So whether you're here for the food, the music, the nostalgia or all three – you're sure to have a great time!

In February, we will pay tribute to the love in our lives with a Love-ly Amarillo Club Brunch on the 10th of the month, a Love Boat themed Valentine's Day celebration on the 14th and for those who Love to laugh, we will have a comedy show on February 16th in the Sunburst Room.

As we begin the New Year, I hope you all continue to come and celebrate both the everyday, and the special events in your lives with us here at the Amarillo Club.
