

A romantic couple walking hand-in-hand on a beach at sunset. The man is wearing a white t-shirt and dark shorts, and the woman is wearing a light blue dress. They are walking through the shallow water, with waves crashing around them. The sky is filled with dramatic, colorful clouds in shades of pink, orange, and blue. The overall mood is serene and romantic.

About

The Photographer

I have been a family photographer since 2019. Specializing in capturing beautiful candid moments. I strive to capture a photo that represents exactly who your family is and how unique you are!

What is a lifestyle session?

A lifestyle session is documenting and capturing raw and real moments!

Want to go to the beach and play in the sand or go swimming?

Walk through a field of sunflowers?

Laughing and having fun make the best memories!

Collections

Each Collection is designed to accommodate families and provide an affordable option to continue our relationship together beyond one session. After all, you are building your own photo masterpiece of your family that will be on display for years to come. If there's something specific you are looking for that these packages do not cover, don't hesitate to ask. I try to work with each family as much as possible.

For all sessions:

- Location must be approved, or extra charges may apply for further travel.
- All outdoor sunset sessions are mostly in the evening for best sunlight. If you are looking for an indoor session, natural light is required.
- \$50 non-refundable retainer is required when booking.
- Please do not wear any bright colors. Light, neutral colors make for best photos!
