TIPS FOR A SUCESSFUL PHOTO DAY!

PLEASE BE 15 MINUTES EARLY!– We know how valuable your time is. We work diligently with the DS to make an efficient schedule. ...please remember that your promptness directly affects others.

When you arrive, you'll be attending to your dancer... fixing hair, putting on tights and shoes, minimize the chaos by **FILLING OUT FORMS AHEAD!** Dancers must have a form IN HAND before we can snap their photo! **ADDITIONAL PHOTO FORMS MAY NOT BE AVAILABLE ON PHOTO DAY!**

PLAN AHEAD – Know the expectations around hairstyle, makeup, tight colors, shoes, costume parts and pieces. Ask your instructors **PRIOR** to photo day!

A NOTE TO THE GROWN UPS... Sixteen youngster's, dressed in tutu's and tap shoes....what could be more adorable? (or more distractable?)

We want your dancer to be engaged with their teacher and the photographer. Their attention ensures we capture the best photo possible!

To keep the distractions to a minimum, only DS staff will be allowed in the photo studio. Parents, guardians, siblings & friends are welcome to wait in the designated waiting area.
