

A romantic scene of a bride and groom in a small, light-colored canoe on a calm body of water. The groom, in a dark suit and tie, sits at the front of the canoe, holding the oars. The bride, in a white lace wedding dress with a long, flowing light blue skirt, lies back against him, her legs crossed and feet resting on the edge of the canoe. The canoe is decorated with a garland of white flowers along its side and clusters of pink and white roses at the bow and stern. The water is dark and reflects the surrounding green trees and foliage. The overall mood is peaceful and intimate.
