FAQ

01. What design services do you offer?

I specialize in a range of services, from logo design and branding to website design and print materials. My aim is to provide a comprehensive suite of design solutions tailored to your needs.

02. How long does a typical design project take?

Each project's timeline varies based on its complexity. A logo might take 2-4 weeks, while a complete branding package can range from 6-8 weeks. During our initial chat, I'll give you a clearer idea of the expected timeline.

03. Can I pay in installments?

Yes! I use a simple two-part payment system — 50% is due upfront to secure your project in my schedule, and the remaining 50% is due upon completion before final files are delivered.

04. Will I own the rights to the designs?

Absolutely. Once we wrap up the project and I receive the full payment, all rights to the designs transfer to you. I'll ensure you have all the necessary files.

05. Do you provide support after the project is completed?

Definitely. I believe in nurturing lasting relationships. If you ever have questions or require tweaks post-project, I'm just an email away.
