Important Update on Osteoporosis Treatment Referrals:

At this time, Nevada Infusion is ***not currently accepting*** new referrals for **Prolia (denosumab) or Reclast (zoledronic acid)**.

We remain committed to supporting osteoporosis care and are ***currently accepting*** referrals for the following therapies:

- **Evenity (Romosozumab)**
- **Jubbonti (Denosumab-bbdz)**

If you are submitting a referral, please ensure the appropriate order set is selected for one of the above therapies.

For assistance or questions regarding treatment selection, our clinical team is available to help guide appropriate referral pathways and ensure timely coordination of care. We appreciate your understanding and remain available to support any questions or care coordination needs.

Thank you!

Sincerely,

The Nevada Infusion Team
