My Floral Journey

"Opening Iris Blossoms Flower Shop has been a lifelong dream rooted in my passion for floral artistry. Named after my great grandmother, Iris, this venture embodies not just my name, but a legacy of love for flowers passed down through generations. With 32 years of experience in the floral industry, my journey began at Stuppy's School of Floral Design at the tender age of 18. I honed my skills further at Flowers by Harry Clifton before taking a brief hiatus to focus on raising my two children, during which I continued to nurture my love for flowers working at Dillon's floral department. But the call of entrepreneurship beckoned, and with unwavering determination, I transformed a humble garage space into my first floral haven. It was a leap of faith, but one that led to the realization of my lifelong dream — the opening of my very own flower shop in Clearwater, KS.

Being a florist isn't just a job for me — it's my passion, my purpose. I care deeply about each and every client who walks through the door, and I am committed to providing them with nothing but the best. My journey hasn't always been easy, but every challenge has only strengthened my resolve to create beauty and spread joy through the art of flowers.

Iris Blossoms isn't just a business — it's a manifestation of my dreams, a celebration of love, and a promise to make your wedding day as beautiful as you've always imagined."

"Let Iris Blossoms weave the magic of petals and blooms into your love story, creating a tapestry of beauty that will make your wedding day truly unforgettable."

Whether you're dreaming of a rustic barn wedding or a glamorous black-tie affair, we'll dream up floral designs that are as one-of-a-kind as you are.

Heart and Soul: Every arrangement that leaves our shop is a labor of love. We pour our heart and soul into each bouquet, centerpiece, and boutonniere, because we believe that flowers have the power to make moments unforgettable. Your wedding day is one of the most important days of your life, and we consider it an honor to be a part of it.
