ABOUT US

Eagle Technologies is a Black American-Owned Small Disadvantaged Business providing IT solutions for government and corporate clients since 2004. Our long history of service for agencies within the U.S. Department of Health and Human Services grew through meeting challenges with efficiently designed, secure, and forward-leaning approaches. Our team of talented and diverse experts leads Eagle's quest for excellence in everything we deliver—reflecting the core values that define our company culture: effectiveness, innovation, dedication, and integrity.
