PHOTOGRAPHY SERVICES

@annacooperphotography

Hey, I'm Anna!

Born and raised in Franklin, photography fell into my lap in 2015, and over a decade later, I'm still passionate about capturing people in their most relaxed, authentic moments. I focus on creating photos that feel natural and true to you.

I love connecting with people and creating experiences that are just as memorable as the photos!

A decade later...

After over 1,100 photoshoots, I know that being in front of the camera is not everyone's favorite thing to do. That's why I keep every shoot laidback and natural. How you feel will always come through in your photos, and my main goal is to make sure you feel comfortable and truly yourself.

I'm not just here to click a button—I aim to build a genuine connection and create a relaxed atmosphere with every client. My light & bright style compliments the comfortable photo experience to give your pictures that "breath-of-fresh-air" look

FREQUENT QUESTIONS

01. How long will it take to get the pictures back?

I aim to get your photos back to you as quickly as possible! During my busy season, all photos are edited and returned within 1-2 weeks

02. Where will my photoshoot be held?

Once you have booked your shoot, we can work together to pick the perfect location for your session! As a senior, I'll send a location guide with lots of ideas to pick from & I'm always up for anything new!

03. What happens if the weather is bad or it rains?

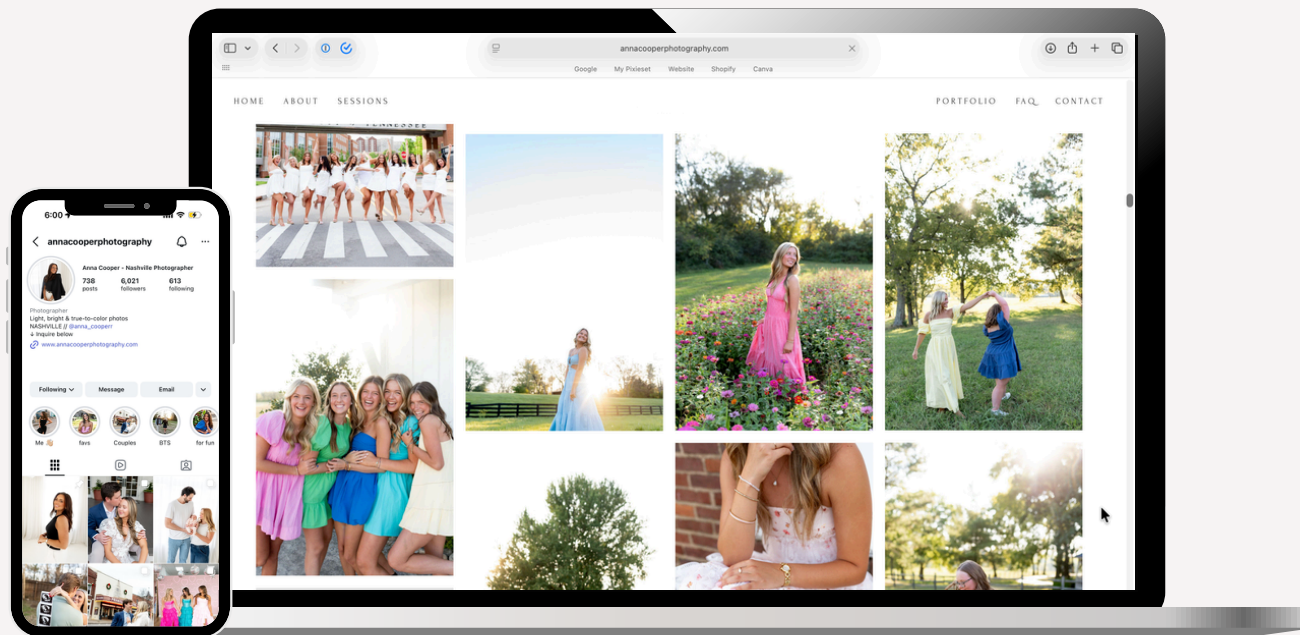

All photoshoots are rescheduled if there is rain. I like to wait until at least 1-2 days before your shoot to have as accurate of a forecast as possible

04. What is all-inclusive photography?

Most photographers up-charge and require you to pay more for your photos on top of the session fee. When working with me, you receive all of your photos edited and in an online gallery without any watermarks.
