Album Add-On

Add Additional Spreads

A spread includes two pages of additional photos. One spread can have anywhere from one photo to eighteen photos! I typically design a spread with 1-4 images so they pages aren't too busy!

Add-On Cost: \$20/spread

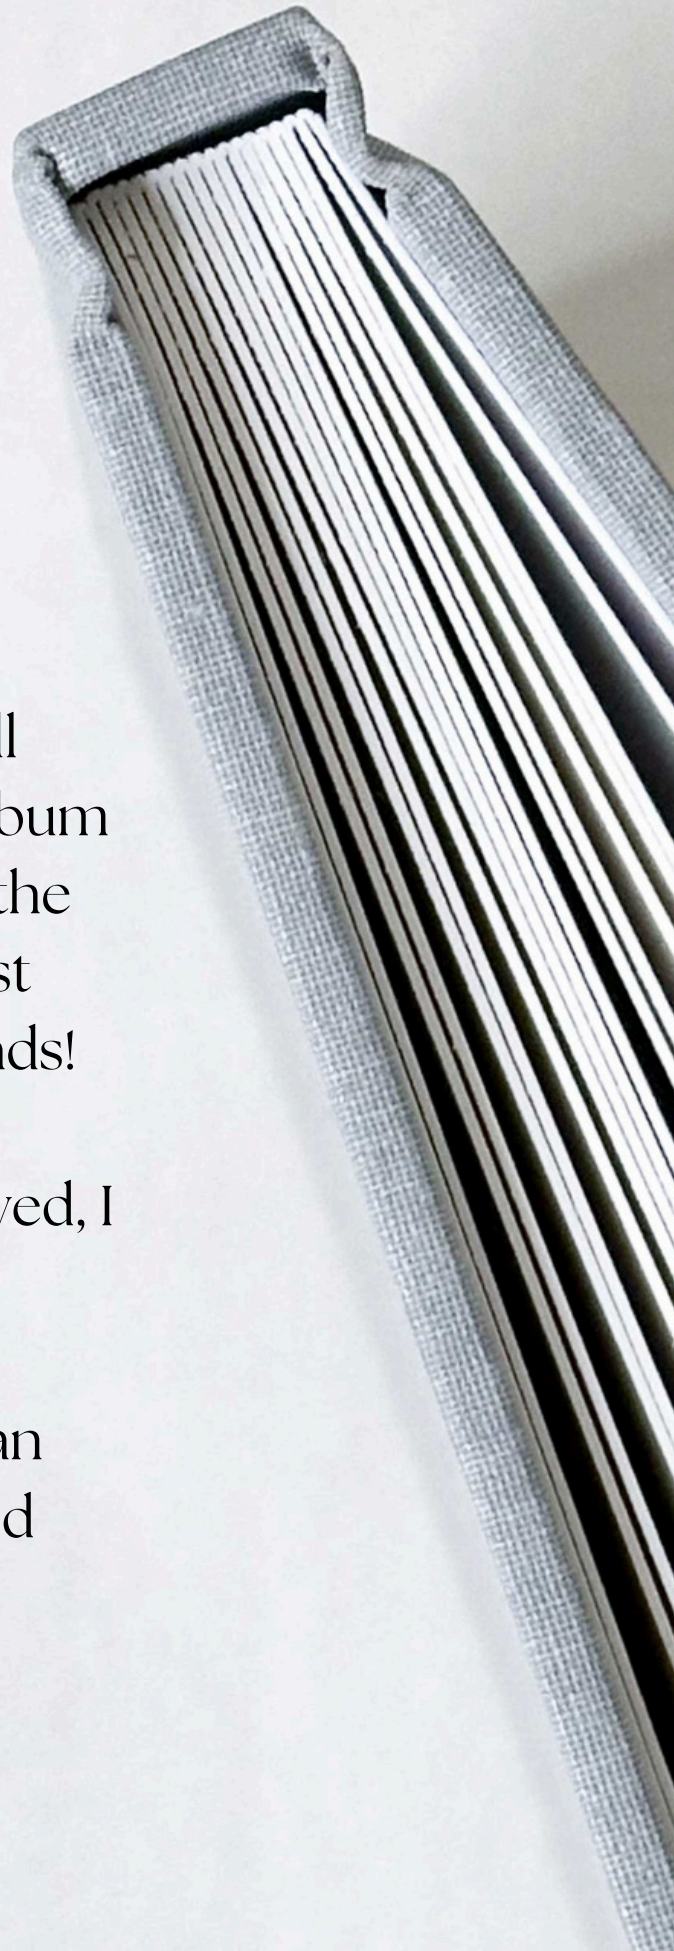

Album Proofing

Once your order is complete,
I will begin designing your album!

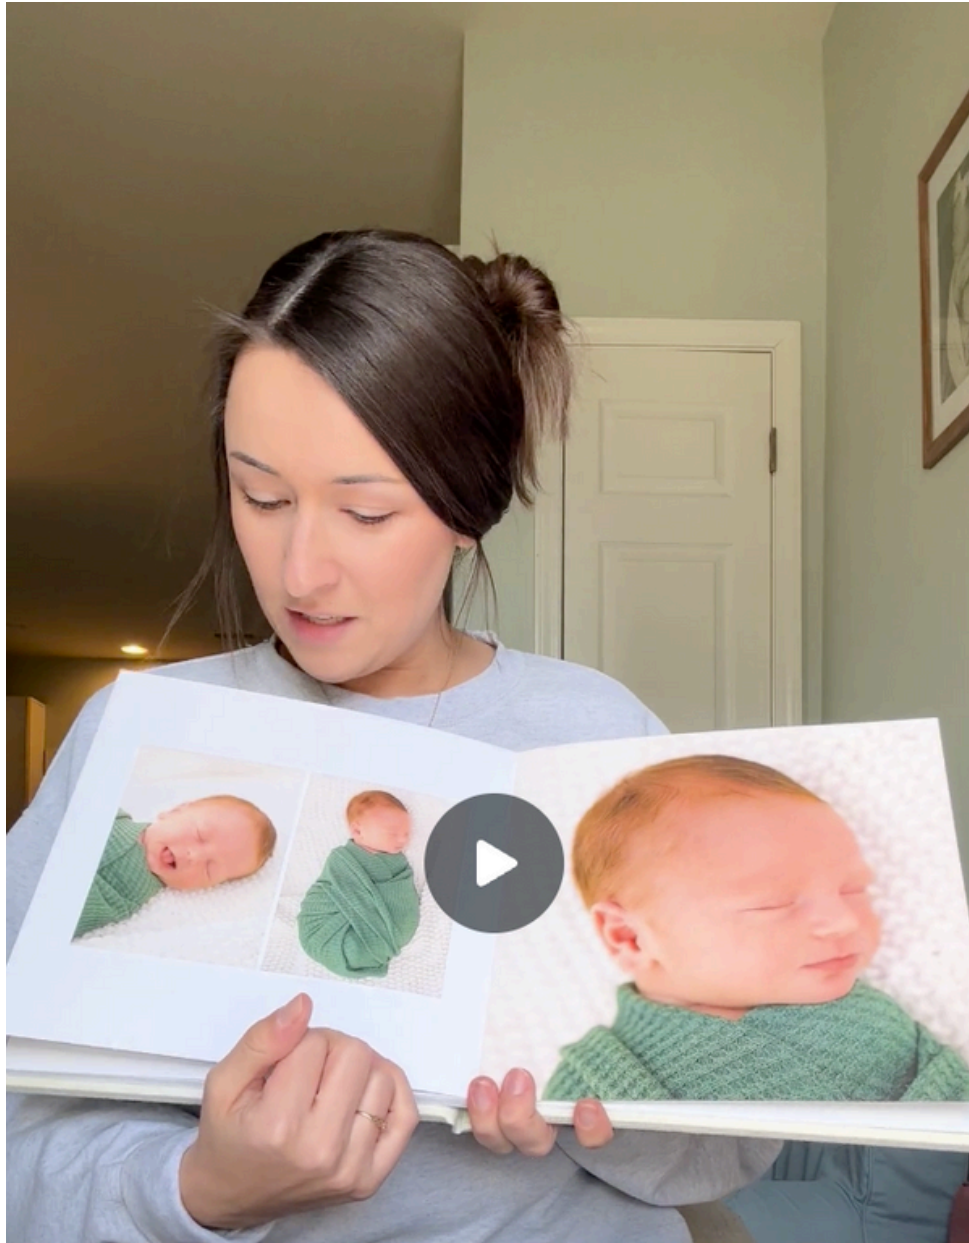

After your design is complete, I will reach out to you to review your album proof via slideshow. You will have the option to leave comments, request changes, and add additional spreads!

Once your album design is approved, I will submit your order for print!

Shipping time can vary, but you can expect your albums to be delivered within 6 weeks.
