JONI + CHELSEA,

(THE AMAZING

SECOND PHOTOGRAPHER)

Hello Bride-to-be and Welcome! This is such an exciting time for you! I'm Joni Buyes and I am the owner of Joni Loraine Photography and Chelsea is my amazing second photographer! I am so excited that you found me and because I believe that getting to know my clients is the #1 way to ensure an awesome experience, I'd love to tell you a little bit about me and my family! Here are a few things you should know!

- My husband, Anthony, and I met while we worked together in sales at Sears.
- We've been married since 8/6/11. (Best. Day. Ever.)
- We are a blended family and we have 4 amazing children between us and 2 cute pups!
- We live in Oregon and absolutely love our beautiful Pacific Northwest!
- I LOVE fruit snacks and the chips in the bag that are folded over.
- Lemons light up my life. I love the color, taste, and they remind me of my grandma.
- FRIENDS, Parks and Rec, and The Big Bang Theory are some of my favorite shows.
- I am obsessed with cozy blankets and pj's, anything snuggly.
- I love creating beautiful images but more importantly, I love building relationships with my clients and giving them a full experience!

THE *Wedding* EXPERIENCE

MY PHILOSOPHY | I'm sure your mind is racing with all that needs to be planned. It's all very exciting but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! My goal as a wedding photographer is to make this one aspect of the planning process simple. Photography is more than just images, it's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photographic experience. When my couples feel comfortable and relaxed in front of the camera, that results in genuine, joyful images! When I think back to my wedding day, I remember amazing memories.... but most of the moments I remember really well are the instances that were captured in my pictures. They are priceless to me. Our photographer made us feel so incredibly comfortable and for the first time, I experienced what it feels like to be in front of the camera as a bride. Your wedding day is an experience from beginning to end and your photography is a huge part of that experience..... shouldn't it be fun? and enjoyable? and natural? I think so! My goal is to not only capture memories for my clients, it's to create an experience that they will never forget.

THE PROCESS | One way I ensure that my brides and grooms enjoy the BEST photographic experience possible is through forming a relationship with my couples. I try my best to make sure that all of my couples are the PERFECT fit for me before officially booking. A bride and groom should connect with their photographer, trust their photographer and be EXCITED about the whole process with them! After booking, I love getting to know my clients through an ENGAGEMENT SESSION that helps them warm up to the camera so that they are ready to rock and roll on the wedding day! By the time the wedding day arrives, my clients feel more like friends and that creates a safe and relaxed environment for photography! Now that you know a little bit about my approach to the wedding day, you can continue reading to find more detailed information about THE WEDDING EXPERIENCE!

THE WEDDING EXPERIENCE

ENGAGEMENTS :

I am more than willing to travel for engagement sessions! I actually love it when my couples ask me to photograph them in a location that means something special to them! I book engagement sessions at least two months in advance and 1 hour of travel one way is included, anything beyond that just requires an additional small travel fee.

DIGITAL IMAGES :

I average 75-100 images per hour that I'm shooting. Each wedding is unique so I will never put a limit on the number of images that you will receive. I love delivering my client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want.

COVERAGE :

I am often asked if 8 hours is enough time to capture the full wedding story and the answer is yes! The 7 hour collection covers most of the day but may require cutting out bridal details at the beginning or not covering all of the reception events. You can always add additional coverage as we get closer to the big day and I get a good idea of your timeline. But the 8 hour collection is the most ideal to cover it all!

MY SHOOTING STYLE :

I love being both interactive and discreet throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done while staying on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) I teach my couples how to pose, model and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from me!

BOOKING :

Once I have answered all your questions and you have decided that my Wedding Experience is exactly what you're looking for on your wedding day, the next step is to make it official! I will send you the contract via email and when you're ready you can save your date by signing your contract and paying your retainer online. We can also get together for coffee and meet in person, too!

Thank You

I'm so glad you contacted me! Enjoy this season of engagement and get excited about your BIG DAY because it's going to be fabulous! Plan and prepare but always remember that at the end of the day, you're marrying the love of your life and that's all that really matters. Congratulations on your engagement and I look forward to hearing from you! Be sure to visit the BLOG to view my most recent weddings!

Love, Joni
