# DREAD RIVER

DISTILLING Co.

Dread River was founded in the spirit of adventure: the notion that life is precious, not fragile. Each day we strive to confront our fears, embrace challenges, and seize every opportunity. Embarking on our journey as the premier craft distillery in Birmingham as we opened to the public in August 2019, we have sought every opportunity to discover more of the world of "Aqua Vitae," or water of life, which we produce with passion and ambition in the heart of Alabama. We invite you to join us on our journey, and may the swift current of adventure carry you forth in your own journeys, as well. We simply ask that when you share your stories with friends and family and toast to your accomplishments, that you reach for us.
