

Great Turnout for First Anniversary!

May 6, 2024

We had a great turnout for our 1st-anniversary run to Tractor! The locomotive left visitors awestruck throughout the day. Many a smiling face was seen as the whistle could be heard echoing for miles around! One dedicated person even traveled from Atlanta, Georgia to see 2926 make the short, but sweet trip up to Tractor Brewing's 4th Street location!

None of this could be possible, however, without you, our extremely dedicated and passionate volunteers. Many of whom put countless hours of preparation into getting these events ready. All aspects of which, from running the store to coordinating volunteers to getting the locomotive ready for her trips, are no small task!

Thank you so much to everyone who was able to come out and help us prepare and get everything ready so we could once again share our amazing accomplishments with the community!

Also, we continue to make slow, but steady progress with the State of New Mexico and NMDOT, without the support of which we could not put together any of these events. Exciting times still lay ahead as we have a busy schedule running down to the railyards for multiple events this year!

Again, thank you so much for everyone's hard work and dedication to the 2926. She thanks you, and she can't wait to get back on the rails!

Let's Keep Her Rolling!
