World Market - This is a great place to find everything you need for the outdoors from specialty beer to outdoor furniture, and at a great price.

Grandin Road - This is my favorite place to get whimsical planters and outdoor cushions. If you are patient they often have great sales. (also great for Christmas Decor)

Ikea - You can tell by my blog and my Pinterest that I love me some Ikea! It's also a great place to find outdoor furniture.

Target - Of course you probably know this, but I can't leave it off my list.

Walmart - Last year I was searching for some porch furniture and through some magazines I found that Walmart had some great wicker (resin) furniture at a great price.

Pier One - I always forget about Pier One, but I always can find some great stuff there.

Home Sense and Home Goods - These are my go to's for tabletop. You can usually find a good selection of melamine plates, tablecloths and baskets to hold them all.

Amazon - This is where I get two of my must haves for summer, folding tables and resin pots.
