

THE SIXPENCE PET POLICY

To ensure everyone has a great time, there are a few rules to keep everyone safe and happy:

All well behaved pets are welcome on a non-retractable leash and must be supervised at all times.

Pets are NOT allowed inside The Homestead or on the second floor of The Barn.

Owner is responsible to clean up after your pet by discarding droppings in plastic bag and throw in garbage.

Pets must be current on rabies vaccination.

The Sixpence staff reserve the right to eject any aggressive, or obviously ill animal.

Pet owners assume full responsibility for their pets. The Sixpence Wedding + Event Space cannot be held liable for any incidents or injury.

By entering the venue and surrounding space, pet owners accept full responsibility for any risks to themselves and their pets.

Any damage that may occur to the facilities from your pet may result in losing your security deposit.
