Dave Smith, Chair P	Linda Reeve P	Debbie Failing P
Dan Scheneman P	Chris Stackpole E	

Dave opened in prayer, and asked for input regarding the Ministry Fair. The overall opinion is that it was well attended and questions were asked and answered about our team. Only one person seemed interested in the Helps team, as a Welcome team member. Linda will follow up on that lead.

Linda discussed that since an entry door was moved, her usual two-member team for the early service will each handle a door. She also expressed concern about absence of camera coverage. I told her I would ensure its on the IT team's list.

NOTE: I later met with Chris who confirmed there will additional camera coverage there, along with other cameras, pending budget approval by the Session. He also showed me an adjusted camera view of the main entrance. That view is much better.

Debbie reported the Coffee Team is fine. She hopes to recruit more vols for "fill in subs" when a member can't be there.

Dave said that with the new vols received last month, his staffing level for table / chair setup and cleanup is covered, except for the 4th Wednesday, that lacks vols for cleanup.

Dan volunteered to meet with Sunday School classes and ask for more volunteers. Dan has graciously volunteered to take over the role of Helps Team Chair and Family Fellowship coordinator when Dave's term as Deacon expires the end of the year.

Linda closed in prayer.
