technical data sheet

## Signalplex EP2 Green

### Product Application:

Signalplex EP2 Green is a commercial grade heavy-duty highly tacky lithium complex grease for use in settings where a premium, tackified, extended life grease is required.

This product excels in areas such as industrial, marine, farm, and excavating applications where critical tacky lubrication is required.

With its heavy fortified base stocks and highly tacky nature, this product is best suited for highly loaded applications at slow-to-moderate speeds.

### Package Size:

Drums, Kegs, Cases

### Performance Features:

- \*Highly Tacky
- \*Excellent water resistance
- \*Superb high temperature resistance
- \*Excellent extreme pressure properties

### Typical Characteristics:

Soap Type	Lithium Complex
Color	Green
Structure	Tacky
Penetration at 77 °F	
60 strokes	280
10,000 strokes	290
100,000 strokes	300
Dropping Point, °F	500
Timken OK Load, lbs, min	80
Oxidation Stability	
100 hrs. @ 210 °F, psi loss	8.0
Rust Prevention Rating	1,1,1
Water Washout,	
@ 175 °F, %	1.1
