These photo shoots are designed for dreamers and small business owners like you! Either you're taking the leap to starting something new or you're 3 years in business and need a refresher! These shoots are designed for bloggers, creative business dreamers, shop owners and dreamers.

WHEN TO BOOK

The best time to plan a shoot would be about 1-2 months ahead of time. This advanced notice gives you plenty of time to plan, prep and execute an efficient shoot! These shoots are typically booked during the week with very limited weekend availability.

LOCATION. LOCATION. LOCATION.

All shoots are local to the Bay Area or Phoenix Area, depending on availability. I'll have location ideas, but it's always fun to have you come up with photo spots. Coffee shops, your own kitchen, hiking trails or anywhere that showcases your passion will be best!

TIME COMMITMENT

Each shoot will be unique based on your needs. I work quickly and can knock out photos within 20 minutes... including chatting and catching up! Many creatives request at least an hour to allow for outfit changes and photo walks. It's totally up to you! Keep scrolling to check out the collection options.

DELIVERY OF PHOTOS

Sneak peeks will be shared within the first 48 hours! YESSSS! Then your entire gallery will be delivered within two weeks. All images will be edited and delivered digitally on an online gallery. WORD ON THE STREET

I'm so grateful for business owners, creatives and entrepreneurs that help me live my best life, too! Here's a couple of sweet testimonials from creatives just like you!

ANGIE

"Quianna is the absolute BEST! She made me feel really comfortable while taking photos and I hate being in front of the camera. Quianna helped with posing and came up with ideas that I didn't even know I needed. She truly is a gem and I'm blessed to have her as a friend.

With her help I've increased my following and booked more online coaching clients. Can't wait for our next shoot in a couple weeks!"

PHILLIP

"I reached out to Quianna for some updated realtor head shots and she took this shoot above and beyond what I imagined. In less than 20 minutes we walked around a neighborhood and made great photos for my website.

Quianna thinks outside the box and is super creative. She made me feel at ease and worked fast. Definitely recommend her for any photography!

DeARLIN

"Quianna is my go to photographer for everything! She's super encouraging and brainstorms like crazy while she's shooting and making us laugh!

I've worked with her for many fashion shoots, styling updates and fun events in my store. She makes everyone around her feel welcome and beautiful. I know the models, my customers and friends are in good hands with her! We love you, Qui!"
