## 1v1 CEO & Team Coaching

### TARGET AUDIENCE:

Founders, CEOs, leadership teams, and boards navigating team dynamics, founder transitions, or trust repair.

### OVERVIEW:

David's 1:1 coaching is not traditional "business coaching." It's a partnership designed for elite-minded CEOs who want to grow their company and themselves in parallel. Through regular sessions, strategic deep dives, and real-time situational advising, David helps CEO's and their team unlock clarity, build trust, and make high-leverage decisions across people, strategy, execution, and finance.

### KEY TAKEAWAYS:

- ✦ **Clarity & Confidence in Complex Decisions** - Gain a trusted thought partner who helps you cut through noise, validate instincts, and make bold, aligned decisions with clarity.
- ✦ **Team & Culture Calibration** - Receive honest insight into your leadership team dynamics and how to build a high-performance, values-driven culture that scales.
- ✦ **Personal Resilience & CEO Support** - Work through the emotional, physical, and relational realities of leadership — with someone who's been there, scaled, sold, and reinvented.
- ✦ **Scaling with Structure & Soul** - Implement proven growth frameworks while staying grounded in your purpose, vision, and personal leadership style.
