I HELP YOU PRIORITIZE, STAY FOCUSED, STAY SANE, AND MOST OF ALL ENJOY
YOUR WEDDING AND EVERYTHING IN BETWEEN

LET'S HANDLE YOUR DAY

For the couple who wants their entire wedding day coordinated by yours truly! I organize, I lead, I connect for you. I pull it all together on your day so you and your loved ones can **CELEBRATE** and **RELAX**, knowing I have it all handled!

This is an amazing option for couples looking to have their wedding day coordinated from start to finish. Most of the prep has been handled on your end and I help you bring it full circle, managing the timelines, set up, vendor coordination, etc.

Starting at \$2,500, package includes:

- Pre-wedding coordination will start 90 days before the wedding where I will help organize details, timelines, connect with vendors, coordinate with vendors, venue walk through, logistics, arrange vendor meals, etc.
- In person/onsite meetings that include; 1 final site visit at your venue to talk through floor plan details and logistics
- A final meeting initiated by me around 2-3 weeks before your wedding with vendors to go over timeline and other logistical details
- Will attend your ceremony rehearsal if requested/needed (probably not formal church services because those cute church ladies have it HANDLED!)
- Day of coordination on site from start to finish with an assistant (if needed). Day of coordination is built with each couple and their wants/needs in mind and includes:
 - Helping wedding party and family coordinate morning meals and snacks
 - Connect and check in with all vendors
 - Confirm all rental delivery times and arrivals
 - Be point of contact for you, your family, and wedding party
 - Reception setup and teardown
 - Help you stay on time based on the timeline we've developed together
 - Ceremony coordination if needed - aka getting your peeps lined up and sending you and your wedding party down the aisle
 - Misc. needs throughout the day
 - And sooo much more!

LET'S BUILD AND PLAN YOUR DAY

For the couple that wants more! You want the research and organization handled by me months ahead of time, along with the day of coordination package. You've already gotten started a little but you want me to help take care of the rest and collaborate with you through the next 6 months building out the day of your dreams!

This is a fantastic option for couples that have their venue chosen and a few other big vendors but want help finding the rest and staying on track. I'm your wedding virtual assistant/project manager/coordinator guiding you to your big day!

Starting at \$4,500 - pricing depends on scope and is tailored to your wants and needs.

- Pre-wedding coordination starting 180 days before your wedding
- Monthly check in calls where we discuss wedding details, timing, checklists, actions you need to take, what vendors you still need, etc.

- In person/onsite meetings that include; 1 final site visit at your venue to talk through floor plan details, logistics, etc.
- A final meeting initiated by me around 2-3 weeks before your wedding with vendors to go over timelines and other logistical details
