# American Grounds Service LLC

**Right-of-Way Mowing · Land Clearing · Grounds Maintenance**

11288 Creeks Ave, Unit 6, Dunnellon, FL 34432 · 352-445-6975 · billing@americangroundsservice.com · americangroundsservice.com/government
Florida LLC, Dunnellon (Marion County) · Serving Marion, Citrus, Hernando and Sumter counties; land clearing and pasture work in Levy County

## CORE CAPABILITIES

- Large-machine (batwing) mowing of road shoulders, medians, interchanges and retention ponds (DRAs)
- Intermediate and small-machine mowing around guardrail, signs, structures and sidewalks
- Litter removal and debris pickup on mowing cycles; edging and sweeping of curbs and sidewalks
- Herbicide application: mower, strip and spot (GL herbicide endorsement in force)
- Land clearing, bush hogging, forestry mulching, pasture mowing and storm debris cutting
- Commercial grounds maintenance for HOAs, property managers and public facilities
- Subcontract mowing for asset-maintenance and vegetation-management primes

## PAST PERFORMANCE

- **Citrus County, Florida, Road Maintenance District 11** — county right-of-way mowing contractor, 2025 to present. Scheduled cycles by road segment with litter pickup, reported with before and after photos. Reference available on request.
- Commercial and HOA grounds maintenance contracts across Marion and Citrus counties (list and references on request).

## HOW WE WORK

- Every right-of-way crew is led by an FDOT Temporary Traffic Control (MOT) Intermediate-certified crew leader; work zones set up to FDOT Standard Plans 102 series.
- Cycles scheduled by district and segment, GPS-tracked, with photo reporting to the agency's maintenance rating standards.
- Certificate of insurance naming the agency as additional insured within one business day; W-9, equipment list and references on request.
